

**Division of Medical Technology
Tarleton State University at All Saint Hospital
And
The University of Texas at Arlington**

We, the undersigned authorized officials of the Medical Technology degree program, Department of Biology, of The University of Texas at Arlington, located at Arlington, Texas 76019, agree to grant a minimum of thirty (30) semester hours toward a degree for our students who train in the field of Medical Technology at the Division of Medical Technology, Tarleton State University at All Saints Hospital. We are willing to supply the National Accrediting Agency for Clinical Laboratory Science (NAACLS), the Committee on Allied Health Education and Accreditation of the American Medical Association (CAHEA), and or the Board of Registry of the American Society of Clinical Pathologists assurance that our University will grant these students who complete the combination degree plan given in our annual catalog the degree of Bachelor of Science in Medical Technology, after we receive a true and correct copy of their grades and a statement of successful completion from the authorized officials of the above school Medical Technology.

It is understood that a release from this agreement can be obtained by letter of request signed by an authorized official of either institution.

The original copy is to remain with the University and the other two copies with the signatures of the authorized officials must be returned to: 1356 Harris Street, Fort Worth TX, 76104

Approved: W. C. McDonald 4-30-1982

We, the Undersigned authorized official of the Division of Medical Technology, of Tarleton State University at All Saints Hospital, located at 1356 Harris Street, Fort Worth, Texas 76104, agree to accept and provide the proper training in the field of medical technology for the students of The University of Texas at Arlington contingent upon our available class openings and the student's qualifications. Students accepted into the program are required to abide by the rules, policies or procedures of Tarleton State University and the hospital of clinical rotation, as if said students were employees of said hospital, and students and be dismissed by said hospital for just cause, including any violation of said hospital rules, policies or procedures. We welcome an inspection of our training facilities by any designated representative of your school.

Approved: Patricia Ann Holmes – Program Director 5-5-82
James Konvichu – Chairman, Department of Biology, Tarleton State University 5-5-1982

The agreement between Tarleton State University and UTA originally entered into on 4-4-1982 for the purpose of educating and training Medical Technology students has been reviewed by the undersigned parties and it is agreed that this agreement shall be renewed.

Approved: Karen Murray, Department Head Clinical Laboratory Science, Tarleton State University 9-11-01
