

**The University of Texas at Arlington**

**Early Admission Program Agreement**

**Student Name:** \_\_\_\_\_

**Application Term:** \_\_\_\_\_

The Early Admission Program (EAP) at the University of Texas at Arlington is available to applicants who wish to begin their college education following their sophomore or junior year of high school. Applicants who satisfy admission requirements may enroll in university classes while being concurrently enrolled in high school. University credit is awarded for courses that are completed with grades of A, B, C, or D. The Office of the Registrar keeps official transcripts which indicate the department, course number, course title, grade and semester hours earned. Students may request an official copy of their University transcript after their first semester or summer session.

Admission to the **Early Admission Program** requires a minimum combined (Critical Reading + Math) SAT score of 1070 with at least a 500 on the Critical Reading and 500 on the Math section, a minimum combined (Critical Reading + Math) PSAT score of 107 with at least a 50 on the Critical Reading and 50 on the Math section, an ACT composite score of at least 23 at least a score of 19 on both the English and Math sections, a PLAN composite score of at least 23 with at least a score of 19 on both the English and Math sections, or a tenth or eleventh grade TAKS score of at least 2200 on the Math section and at least 2200 on the English Language Arts section with a score of at least 3 on the writing subsection. Applicants should submit the following:

- Admission application and \$35 application fee.
- EAP Agreement form (signed by the principal, the student, and the student's parent or guardian);
- Official high school transcript showing sufficient credits to be classified as at least a junior.
- Official SAT-I scores, or official PSAT scores, official ACT scores, or official PLAN scores. (Test scores posted on a high school transcript are considered official.)

A student who is admitted under the Early Admission Program:

- May enroll in at most two (2) UTA academic courses each fall or spring semester while being concurrently enrolled in high school, or up to two (2) courses during the summer; (see reverse for Preferred Early Admission Coursework).
- Must submit THEA\* or approved alternate assessment scores if these have been attempted prior to EAP admission. If you are exempt from the THEA, documentation for this exemption must also be submitted. If you are not exempt or have not attempted the THEA, we encourage you to do so while you are taking coursework at UTA.
- Must follow University rules and regulations.
- Is classified as an Undeclared major; Will be advised by the Honors Academy located in College Hall, Suite 100, phone (817) 272-7215.
- Must submit a final high school transcript showing final rank-in-class and graduation date.
- Is **not eligible** for financial aid.

An Undeclared major designation is intended to enhance advising. Students may select courses that will apply to their desired major. Following graduation from high school, students may change their major.

\*The THEA is one of the available assessments required by the Texas Success Initiative. More information about the THEA can be found at [www.uta.edu/admissions/successinitiative](http://www.uta.edu/admissions/successinitiative).

**High School principals** should verify that a student who participates in a college curriculum will not be disqualified from a desired University Interscholastic League (UIL) competition.

I wish to apply to the **Early Admission Program** at The University of Texas at Arlington and agree to the above terms. My signature below indicates that I authorize the University to release my grades and courses completed to my high school while I am a participant in the Early Admission Program.

\_\_\_\_\_  
Signature of Student / Date

\_\_\_\_\_  
Approval by High School Principal / Date

\_\_\_\_\_  
Signature of Parent or Guardian / Date

\_\_\_\_\_  
High School Name

\_\_\_\_\_  
UTA ID Number

\_\_\_\_\_  
High School Address

### PREFERRED EARLY ADMISSION COURSEWORK

Listed below are courses which are recommended for high school students to take under the EAP at the University of Texas at Arlington. Please check which course or courses (limit two (2) courses) that you would like to take. Other courses may be approved provided you have completed all prerequisites.

For course descriptions on each of the courses, please consult the UTA catalog. Please note that the first digit in the course number indicates (1) freshman, (2) sophomore, or (3) upperclass courses. The second digit indicates the number of credit hours received upon completion of the course.
