Major Information

Please see the UT Arlington business advisor for questions about majoring in this area. Your advisor will make sure your coursework stays on track to graduate and may suggest alternate coursework or concurrent enrollment options. This plan is meant to guide your course selection in conjunction with regular departmental advising sessions at UT Arlington and Tarrant County College. If you are interested in earning an Associates degree please work with your TCC advisor to complete any additional coursework.

Notes

1. Natural Science I and II must be from the same science discipline, so you must take BIOL 1406 and BIOL 1407 to satisfy the requirements. Contact your UT Arlington advisor if you've already completed 2 science courses from different disciplines.

2. This degree track at TCC is based on completion of the AA Degree at TCC, which requires the following additional TCC coursework: GOVT 2306 and PHED 1164.
