Margaret L. Martin '79

Margaret Martin has a lot to smile about. She was part of the Leadership Team that helped Presbyterian Hospital of Dallas receive Magnet Status in 2006. In the world of Nursing, this is a very big deal! This designation is given from the American Nurses Credentialing Center of the American Nurses Association.

Margaret currently serves as the Director of Patient Care Resources at Presbyterian Hospital of Dallas. She is responsible for clinical education, infection control, patient education, clinical scholarships. She earned her Master of Science in nursing degree from UTA in 1979 and was

named a Distinguished Alumna in 1995.

Margaret, a Lifetime Member of the Alumni Association, served as the Alumni Association Board President from 1989-1990 and today is a highly involved, active alumna of UT Arlington.

The Smart Hospital has been selected to be part of a series "State of Tomorrow" to be shown on PBS channels (KERA locally). Filmed on February 2nd, the episode includes an interview with Dean Poster and Dr. Tiffany Holmes, the Smart Hospital Manager and student working with the virtual patients. The series explores major issues facing our state and how these issues are being addressed in higher education. The first segment in the series aired in April.

Three UT Arlington Nursing students, Hollie Braband, (Sr. 1), Greg Hubbard (Jr. 2) and April Morgan (Jr. 2), were selected as VALORs for 2007 – 2008. The purpose of the program is to provide a nursing residency for distinguished honor students interested in a nursing career at the VA North Texas Health Care System. VALOR is the acronym for VA Learning Opportunity Residency.

The PhD in Nursing Program at UT Arlington announced acceptance of an entering BSN-to-PhD class for the fall of 2007. The decision to accept a class this fall was made in response to the ongoing need for doctorally prepared nursing faculty. Applications are still being accepted for this fall 2007 class.
