### **February 4, 2010**

Title: Reserved for Micro Search

Host:

Sponsor:

### **February 11, 2010**

Speaker: Dr. Laura Gough, UTA

Title: What I Learned in My Year as a Program Officer at the National Science Foundation

Host: Dr. Ellen Pritham

Sponsor: Department of Biology

<http://www.uta.edu/biology/gough/index.htm>

### **February 18, 2010**

Speaker: Dr. David Cannatella, UT Austin & Curator of Herpetology, Texas Natural Science Center

Title: Poison Frogs, Parallel Phenotypes, and Primeval Rainforests

Host: Ben Allen

Sponsor: Department of Biology

<http://www.biosci.utexas.edu/ib/faculty/cannatella.htm>

### **February 25, 2010**

Speaker: OPEN

Title:

Host:

Sponsor:

### **March 4, 2010**

Speaker: Dr. Sophia Passy, UTA

Title: The origins of species richness

Host: Dr. Ellen Pritham

Sponsor: Department of Biology

<http://www.uta.edu/biology/passy/index.htm>

**March 11, 2010**

Speaker: Dr. Kateryna Makova, Pennsylvania State University  
Title: On microsatellites and horses: Novel approaches to long-standing controversies  
Host: Dr. Esther Betran  
Sponsor: Department of Biology  
[http://www.bx.psu.edu/makova\\_lab/Positions.php](http://www.bx.psu.edu/makova_lab/Positions.php)

**March 25, 2010**

Speaker: Dr. David J. Hoeinghaus, University of North Texas  
Title: Responses of aquatic communities and ecosystem function to environmental change  
Host: Dr. Laura Gough  
Sponsor: Department of Biology  
<http://www.unt.edu/pais/grad/gbiol.htm>

**April 1, 2010**

Speaker: Dr. William Murphy, Texas A&M  
Title: Genomic Approaches to Speciation Genetics and Biodiversity Discovery  
Host: Dr. Cedric Feschotte  
Sponsor: Department of Biology  
[http://gene.tamu.edu/faculty\\_pages/faculty\\_MurphyW.php](http://gene.tamu.edu/faculty_pages/faculty_MurphyW.php)

**April 8, 2010**

Speaker: Dr. Peter Greenberg, University of Washington  
Title: The Social Life of Bacteria: Communication and Cooperation  
Host: Dr. Woo-Suk Chang  
Sponsor: Department of Biology  
<http://depts.washington.edu/epglab/>

**April 15, 2010**

Speaker: Dr. Oscar Flores-Villela, UTA visiting scholar  
Title: The making of a national herpetofauna: the herpetofauna of Mexico  
Host: Dr. Laura Mydlarz  
Sponsor: Department of Biology  
[http://mzfcherpetologiaunam.blogspot.com/2005/09/investigadores\\_16.html](http://mzfcherpetologiaunam.blogspot.com/2005/09/investigadores_16.html)

**April 22, 2010**

Speaker: Dr. Jim Grover  
Title: Aspects of spatial theory for phytoplankton ecology  
Host: Dr. Tom Chryzanowski  
Sponsor: Department of Biology  
<http://www.uta.edu/biology/grover/index.htm>

**April 29, 2010**

Speaker: Lisa Campbell, TAMU  
Title: Automated Imaging Flow Cytometry for Early Warning of Harmful Algal Blooms  
Host: Dr. Jim Grover  
Sponsor: Department of Biology  
<http://www.bio.tamu.edu/FACMENU/FACULTY/CampbellL.htm>
