

# UT Arlington Summer Conference

## Guest and Family Resource Guide

### Residential Camp Information

Overnight camp participants will be staying in one of our 5 residence halls. Each hall has a full-time staff member living in the building along with student staff to assist campers as needed. All residence halls are operated with a card-access system and cards will be issued to each camper at check-in. Doors remain locked at all time and can only be opened with a camp card. If you are coming to visit your child you will need to be escorted at all times.

In addition to the hall staff each camp will have its own camp staff there to facilitate activities and accompany students to their scheduled events. You will be able to speak to the counselors at the check in.

We are so excited your student is coming to stay with us and we look forward to showcasing our Maverick Pride.

### Facilities Highlights

Many of the camps utilize unique and exciting facilities on campus. Here are just a few highlights that your child might see.

The Planetarium is one of our must-see facilities and is frequently used by our summer groups. Campers that get to use this facility are always impressed by the incredible shows.

Also unique to our campus is the **Bowling and Billiard** lounge. Known for hosting fun and relaxing social activities this also is a popular evening activity and great way for campers to make friends.

The **Maverick Stadium** is our outdoor track, soccer and football stadium and has seating for up to 5,000 people. The main field is AstroTurf and there is a grass practice field as well. Many of our sport camps utilize these amazing fields.

The **Maverick Activities Center** is our newly renovated workout and recreation facility. This facility has gyms, multi purpose rooms, indoor soccer, classrooms, climbing wall and a gaming lounge. This building is state-of-the-art and equipped with just about everything.
