

# UT Arlington MAC and Fields Complex

## Facility Information and Rates

The Maverick Activities Center (MAC), a \$34.5 million recreation facility, is approximately 190,000 sq. ft. Conferences may choose from a variety of activities including basketball, soccer, table tennis, racquetball, volleyball, badminton, and so on. The MAC also has several multipurpose rooms that can be set up for meeting room space as well as a large auditorium with a stage, for larger events.

The MAC also operates the Campus Recreation Fields Complex, as well as the PE Building. The Campus Recreation Fields Complex has three multipurpose fields, two softball diamonds and an office complex with restrooms, a small meeting space and access to ice machines. All outdoor facilities have outdoor lighting. The PE Building has two gym spaces available for use.

Groups interested in reserving one of the two pools should contact Becky Crow at 817-272-5170.

Reservations for any of the listed facilities may be arranged through the Summer Conferences office.
