

UT Arlington Dining On Campus

Information and Rates

Dining

UT Arlington Dining Services offers flexible meal options for all summer conference and camp participants. Meals are served daily in our all-you-care-to-eat Connection Cafe located in the University Center. The Cafe features several meal concepts, each serving different types of food. The Connection Cafe is open Monday through Friday for breakfast, lunch and dinner and serves brunch and dinner on Saturday and Sunday. Conference and camp directors should fill out a Dining Reservation Form to indicate which meals will be attended. Rates differ for each meal and are provided below.

Also available on campus are many other dining locations (listed on the right), many of which are located in The Plaza food court also in the University Center. These locations accept cash or credit cards but are not included in the Summer Conference meal options. All dining location hours are available online at www.uta.edu/dining and posted at the location.

Summer meals are available beginning late May and extend through mid August. Dining Services and all dining locations will be closed for Independence Day.

Catering

From boxed lunches to three-course meals, Dining Services offers catering for summer conferences and camps. Catering can also supply linens, tableware and floral arrangements for any catered special event or meeting on or near campus. To make arrangements for an event, view the catering menu and online ordering system at utacatering.catertrax.com or contact Catering Services at 817-272-2304.
