STANDARD OPERATING PROCEDURE
Request to Inventory New Chemicals on CEMS

Step 1: Go to Chemical Environmental Management System (CEMS) http://cems.uta.edu.

Step 2: Click on “login” in “My Profile” window:

Step 3: Login with your UTA credentials:
**Step 4:** On your CEMS Dashboard go to “Quick Links” window and click on “Request Barcoding of New Chemicals” link:

![Quick Links](image1.png)

**Step 5:** Leave the Subject as it is. In the Message window indicate the name of the new chemical, number of containers, the name of the chemical owner, building, room number, and the sub-location (cabinet, shelf, work bench, refrigerator, fume hood or other) of the new chemical that need to be added to the inventory. If your presence is necessary, please, indicate it in your message and we will contact you prior to the visit.
