## PURPOSE

The University of Texas at Arlington (UTA) is concerned with the safety of its students, faculty, staff, and visitors. Publication and distribution of this Annual Campus Fire & Safety Report is aimed at better informing these groups of UTA's policies concerning campus safety and security.

UTA is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia 30033-4097, 404-679-4500) to award bachelor's, master's, and doctoral degrees.

In accordance with the *Equal Pay Act of 1963*, Titles VI and VII of the *Civil Rights Act of 1964*, Executive Order 11246, the *Age Discrimination in Employment Act of 1967*, Title IX of the Educational Amendments of 1972, Section 503 and 504 of the *Rehabilitation Acts of 1973*, the *Vietnam Era Veterans Readjustment Act of 1974*, and the *Rules and Regulations* of the Board of Regents of The University of Texas System, it is the policy of UTA that no person shall, on the basis of race, color, national origin, religion, age, sex, handicap, disabilities, or veteran status be denied employment or admission, be excluded from participation in, be denied the benefits of, or be subject to discrimination under, any program or activity which it sponsors or conducts.

## SEXUAL HARRASSMENT POLICY

UTA shall not tolerate any behavior or verbal or physical conduct by any administrator, supervisor, faculty, or staff member that constitutes sexual harassment. UTA also prohibits discrimination based on sexual orientation. Any inquiries concerning the application of this policy should be directed to UTA's [Office of Equal Opportunity Services](http://www.uta.edu/hr/eos/index.php) (<http://www.uta.edu/hr/eos/index.php>) at (817) 272-2106.

## MISSION

The mission of the University of Texas at Arlington Police Department is to support the goals of the University by working cooperatively with the community to provide superior quality law enforcement, security, and related services.

## ABOUT UTA POLICE DEPARTMENT

The UTAPD operates 24 hours a day, 365 days a year. Its authorized strength is 118 total personnel: 38 sworn police officers, 50 public safety officers (PSO), 9 communications officers, 7 parking office personnel, 1 transportation supervisor, 5 key control personnel and 7 administrative personnel.

The Department's police officers are commissioned by The University of Texas System Board of Regents per Article 51.203 of the Texas Education Code. These officers are defined as peace officers under Article 2.12 of the Texas Code of Criminal Procedure and are fully empowered by the State. As peace officers, the Department's police officers are armed and have the same authority to detain and arrest as municipal police officers. PSO's are not armed and do not make arrests, but have the authority to issue citations.

The primary jurisdiction of peace officers commissioned by the University of Texas System Police includes all counties in which property is owned, leased, rented, or otherwise under the control of the University of Texas System. [Texas Education Code Section 51.203 Campus Peace Officers](#) –

(a) The governing boards of each state institution of higher education and public technical institute may employ and commission peace officers for the purpose of carrying out the provisions of this subchapter. The primary jurisdiction of a peace officer commissioned under this section includes all counties in which property is owned, leased, rented, or otherwise under the control of the institution of higher education or public technical institute that employs the peace officer. (b) Within a peace officer's primary jurisdiction. (c) Outside a peace officer's primary jurisdiction a peace officer commissioned under this section is vested with all powers, privileges, and immunities of peace officers and may arrest any person who violates any law of the state.

UTAPD was awarded full Re-Accreditation by The Commission on Accreditation for Law Enforcement Agencies (CALEA ®) on March 27, 2010, in conjunction with CALEA's Winter Conference in Dallas, TX. Through this process the UTAPD has successfully exhibited compliance with all applicable CALEA standards for Law Enforcement Agencies.

May 2011, the UTAPD received initial accreditation by The International Association of Campus Law Enforcement Administrators, Inc. (IACLEA ®) during the Annual Conference in Charlotte, NC. This accomplishment by UTAPD constitutes recognition that the department conforms to the highest professional standards for campus law enforcement.

## LOCAL AGREEMENTS

The UTAPD maintains a cooperative working relationship with local, county, state, and federal law enforcement agencies and has agreements with the City of Arlington Police Department and the City of Fort Worth Police Department through Memorandums of Understanding regarding police services and the investigation of alleged criminal offenses.

Additional information about the department is located on the UTAPD's web page at [www.uta.edu/campus-ops/police](http://www.uta.edu/campus-ops/police).

## TRAINING

Police officers at UTA have completed The University of Texas System Police Academy or other licensed academy and been licensed by the Texas Commission on Law Enforcement Officer Standards and Education (TCLEOSE). In addition to the Academy, officers receive 15 weeks of field training and a minimum of 40 hours of in-service training every two years, as required by law. Guards complete an 8-week field training program. Communications officers complete a 40-hour state certified telecommunications training program and a 15-week field training program.

## ACCESS TO UNIVERSITY BUILDINGS

Academic buildings on campus are opened at approximately 6 a.m. and locked at approximately 11 p.m. on weekdays. On weekends, buildings are kept locked unless they are sites for classes or special events. Campus libraries have special operating hours that can be obtained from library personnel or from the UTA Library Web page at (<http://www.uta.edu/library/hours/index.php>).

Access to all campus apartments and residence halls: keys for apartments are issued to individual leaseholders and registered additional occupants. Each resident hall is equipped with a 24-hour card access system. The UTA ID card (Mav Express Card) (<http://www.uta.edu/campus-ops/mavexpress/>) allows access into halls/rooms. In addition to the Mav Express Card, residents may be issued a key(s) to their room. Residents are responsible for their guests and must escort them at all times.

All routine maintenance, problems and repair requests should be reported to Facilities Management through the web page at <http://www.uta.edu/fixit>. **If your repair justifies an emergency, please call (817) 272-2000.**

All campus parking lots are restricted to authorized users, with permit required, and are monitored by UTAPD.

## PROCEDURES FOR TESTING EMERGENCY RESPONSE

The UTAPD in conjunction with the Emergency Management Coordinator and Environmental Health and Safety (EH&S) test the Outdoor Public Address system the **first Wednesday of each month**. UTA (University Communications) will conduct a test of the MavAlert notification system annually. All other emergency response and evacuation procedures will be intermittently tested throughout the year. Each test is documented, including the date, time, and whether it was announced or unannounced. **The Emergency Procedures Quick Reference Guide can be obtained at [http://www.uta.edu/campus-ops/police/docs/Emerg\\_Proc\\_Quick\\_Reference.pdf](http://www.uta.edu/campus-ops/police/docs/Emerg_Proc_Quick_Reference.pdf).** Hardcopies are available upon request. Additional emergency preparedness and response information can be obtained at <http://www.uta.edu/campus-ops/police/emergency-management/>.

## EMERGENCY NOTIFICATION

In the event of a serious incident which poses an immediate threat to members of the UTA community, UTA has various systems in place for communicating information quickly. This system includes an Emergency Notification Network to alert students, faculty, staff, and visitors of any incidents if they occur and to provide instructions on what actions to take in an emergency. Some or all of these methods of communication may be activated in the event of an immediate threat to the UTA campus. These methods of communication include:

- UTA home page: UTA will post updates during a critical incident on the UTA Campus website at <http://www.uta.edu>.
- **Building Annunciation System**: A majority of campus buildings are wired with the capability to activate announcements by **University police dispatchers**.
- **Emergency Information Hotline**: Important information about campus closing and other critical situations is available at 1-866-258-4913.
- **External Media Advisories**: Campus closing and emergency notifications are provided to external media, including television and radio stations and online news sites, to quickly spread essential information.
- **MavAlert** ([www.uta.edu/mavalert](http://www.uta.edu/mavalert)) emergency notification system: MavAlert is designed to send all current students, faculty and staff early and rapid notification via text and voice messages to phones, e-mail accounts and other registered communications devices. Students should update their contact information by signing in to [MyMav](#) and clicking on *Student Center* under the left *Enterprise Menu*. From there, fill in the emergency contact form.
  - **Cooper Notification System**: Web-based notification system will deliver emergency information to the UTA Community.
- **Outdoor Public Address System**. This system is activated by campus police dispatchers. The system consists of a combination of chimes and live or prerecorded announcements. Speakers are strategically placed throughout the campus to facilitate communication through the PA system.
- **University emails**: Important items of information are communicated to the UTA community by special [MavWire Extra](#) and [Trailblazer Extra](#) messages sent to campus email addresses.

The multi-tiered Emergency Communication System is described more fully in Annex B of the University's Emergency Management Plan.

All members of the UTA community are encouraged to notify the UTAPD of any situation or incident on campus that involves a significant emergency or dangerous situation that may involve an immediate or on-going threat to the health and safety of students and/or employees on campus.

UTAPD has the responsibility of responding to, and summoning the necessary resources, to mitigate, investigate, and document any situation that may cause a significant emergency or dangerous situation. In addition, the UTAPD has a responsibility to respond to such incidents to determine if the situation does in fact, pose a threat to the community. If that is the case, Federal Law requires that the institution immediately notify the campus community or the appropriate segments of the community that may be affected by the situation.

The UTAPD will immediately notify EH&S (<http://www.uta.edu/campus-ops/ehs/>) and the Office of University Communications (<http://www.uta.edu/ucomm/>). If the UTAPD or EH&S confirms that there is an emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the UTA community, the Office of University Communications will collaborate to determine the content of the message and will use some or all of the systems described above to communicate the threat to the UTA community or to the appropriate segment of the community, if the threat is limited to a particular building or segment of the population.

UTAPD, EH&S and the Office of University Communications will, without delay and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the judgment of the first responders (including, but not limited to: UTAPD and the City of Arlington Police Department and/or Fire and Emergency Medical Services), compromise the efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

## SERVICES AND ASSISTANCE

The UTAPD provides these services as a courtesy:

**Escorts:** Personal safety escorts are available upon request, call UTAPD at (817) 272-3381.

**Vehicle Jump Starts:** UTAPD will assist motorists on the campus needing a jump start.

**Crash Reports:** Motor vehicle crash reports are available at the UTAPD during normal office hours. To obtain a crash report, the following information is necessary: a) report number of the crash; and b) name of the driver involved. There is a \$4.00 fee for a copy of a crash report.

**Bike Registration:** Engraving is a free service available through the UTA Police Crime Prevention Office and most housing offices. ([www.uta.edu/campus-ops/police/forms/bicycle-registration.php](http://www.uta.edu/campus-ops/police/forms/bicycle-registration.php))

**Crime Prevention Speakers:** A crime prevention speaker can be arranged for any campus-affiliated group upon request (817) 272-3902 or [preventcrime@uta.edu](mailto:preventcrime@uta.edu). The speaker can cover crime prevention related subjects including, but not limited to, items listed under crime prevention in this brochure.

**Shuttle Bus Service:** The UTAPD offers free shuttle bus service around the campus. The shuttle bus runs on campus 7:30 a.m. to 6:00 p.m. weekdays. Additional information is available at <http://www.uta.edu/campus-ops/police/shuttle-services.php>.

**Operation Identification:** A program designed to help protect property from theft by engraving the property with a driver's license number. UTAPD and each residence hall office has an engraving tool that residents may check out. Complete and submit your personal inventory online, "Operation ID" – (<http://www.uta.edu/studentaffairs/residence-life/campus-safety>)

**Lost and Found:** "Lost and Found" is located in the UTAPD, (817) 272-2904; hours are 8 a.m. to 5 p.m. weekdays. Other "Lost and Found" locations on campus include: The Libraries, Activities Building checkout counter, Housing and University Center Office, the UTA Bookstore, and the School of Nursing in Pickard Hall.

**H.E.A.T.:** For information about *Texas Help End Auto Theft* registration, please contact the UTAPD.

## DISSEMINATING INFORMATION ON CAMPUS CRIME (DAILY CRIME LOG)

The UTAPD is dedicated to keeping the UTA Community informed about criminal activity occurring on campus. A daily summary of reported crimes is published in the campus newspaper, The Shorthorn, ([www.theshorthorn.com](http://www.theshorthorn.com)) and on the UTAPD's web page (<http://www.uta.edu/police/events/ActivityLog.pdf>). The **Daily Crime & Activity Log** is also available for review at the UTAPD located at 700 S. Davis from 8 a.m.-5 p.m. Monday through Friday, excluding holidays. Information in the crime log typically includes the type of call, date reported, date and time incident occurred, case number, general location, description of the call, and disposition of each crime.

## TIMELY WARNINGS

In an effort to provide a timely notice to the UTA community, and in the event of a serious incident which may pose a continuing threat to members of the UTA community, "Crime Alerts" are posted by UTAPD adjacent to the entrances to all campus buildings. The crime alert will be posted on the Department's web site and an email is sent to all students and employees on campus. Crime Alerts are usually distributed for the following crimes: aggravated assault, criminal homicide, robbery, sex offenses and other crimes as deemed necessary.

## REPORTING A CRIME

The UTAPD encourages the accurate and prompt reporting of all criminal offenses. In case of **emergency call (817) 272-3003 or 911**.

To report a criminal incident on campus, call **(817) 272-3381**. A police communications officer in the Dispatch Office is available 24 hours a day to answer your call. In response to a call, the dispatcher will take the information, send an officer, and if necessary, contact the emergency personnel from other agencies such as the fire department or ambulance service. If necessary, the officer will complete a police report after the necessary action has been taken. When deemed appropriate, reports of criminal offenses are forwarded to the Criminal Investigation Division (CID). To check on the progress of an investigation, call CID at (817) 272-0895.

Officers are dispatched on a priority basis according to the seriousness of the calls received. Calls of an emergency nature are dispatched immediately. A person reporting a non-emergency incident may expect to experience a short delay.

Emergency phones are located in most campus buildings and all campus parking lots, and there are 58 emergency call boxes, 188 emergency located throughout the campus. The call boxes and emergency phones are linked directly with the police dispatcher. The emergency call boxes and emergency phones are tested twice a week by the UTAPD

## SILENT WITNESS

If you have seen a crime on campus or have been a victim of a crime on campus and would like to report it anonymously, the [Silent Witness](http://www.uta.edu/campus-ops/police/forms/silent-witness.php) form located at <http://www.uta.edu/campus-ops/police/forms/silent-witness.php> may be completed. All information will remain confidential; this report will not have your return email address on it.

All crimes should be reported to the UTAPD to ensure inclusion in the annual crime statistics and to aid in providing timely warning notices to the community, when appropriate.

There are no formal policies that encourage pastoral counselors and professional counselors to inform the persons they are counseling to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics.

## SEXUAL OFFENSES

Sexual assault and aggravated sexual assault are serious felony crimes, and UTA considers it imperative to provide sexual assault awareness programs, such as the Rape Aggression Defense Program, aimed at the prevention of such crimes. The UTAPD's Crime Prevention Officers and personnel from [UTA Health Services](http://www.uta.edu/healthservices/) (<http://www.uta.edu/healthservices/>) (817) 272-2771 are available to coordinate programs that include representatives from "The Women's Center of Tarrant County" ([www.womenscenter.info](http://www.womenscenter.info)) - (Rape Crisis) (817) 92-RAPES (817-927-2737).

**RVSP** (Relationship Violence & Sexual Assault Prevention Program): Promotes education and awareness of sexual assaults, dating violence and stalking. This program also provides support, referral services and advocacy for students impacted by violence. "You are Not Alone. You are Never to Blame". Contact information for RVSP is located at MAC (Maverick Activities Center), Room 101R, 8:30 a.m. – 5:00 p.m. Coordinator's Office Phone Number: (817) 272-9250 or 24-Hour Hotline Number: (817) 272-0260, e-Mail: [rvsp@uta.edu](mailto:rvsp@uta.edu)

Sexual offenses include, but are not limited to, some form of forced or non-consensual intercourse, indecent exposure, or indecency with a child, fondling, and range from Class C misdemeanors to second degree felonies. The victims of these crimes should report the crime to the UTAPD. The UTA Health Services and RVSP will assist any victim by direct counseling or referral to the appropriate agency.

## VICTIMS OF SEXUAL ASSAULT

A victim of sexual assault that has occurred on campus should notify the UTAPD immediately. Other campus personnel such as residence hall personnel, counselors or RVSP may assist in reporting the sexual assault to the UTAPD. If the assault occurred outside of the UTA campus, the local police department where the assault occurred should be called. Campus officials will assist the victim with contacting local law enforcement if requested.

The victim should not bathe, douche, or change clothes after the assault in order to preserve evidence necessary for the proof of criminal sexual assault. The victim will need to go to a hospital emergency room for a sexual assault examination once the police have been notified. A friend of the victim may take him/her to the hospital or a police officer can provide transportation. The police officer will need to obtain a statement describing the details of the assault.

UTA has created the Sexual Assault Response Network ([SARN](http://www.uta.edu/studentaffairs/rvsp/sarn.htm)) (<http://www.uta.edu/studentaffairs/rvsp/sarn.htm>) **composed of UTA Faculty and Staff members who can assist victims of sexual and/or relationship violence. SARN is available to assist you 24 hours a day by calling (817) 272-9250 (24-hour hotline), [rvsp@uta.edu](mailto:rvsp@uta.edu).**

A counselor from "The Women's Center of Tarrant County" ([www.womenscenter.info](http://www.womenscenter.info)) - (Rape Crisis) (817) 92-RAPES (817-927-2737) will be contacted to meet with the victim at the hospital. The counselor will inform the victim of his/her options involving counseling. UTA Health Services offers professional counseling to sexual assault victims.

The sexual assault victim has an option to choose a pseudonym (fictitious name) and address to maintain confidentiality. The pseudonym will be assigned at the victim's request. A victim of sexual assault who lives on campus may request to change his/her living and academic situation. All efforts to carry out these requests will be made by UTA if such changes are reasonably available.

## DISCIPLINE

If the accused in a sexual offense reported to the UTAPD is a UTA student, the case will be referred to the Dean of Students for review of the allegations. The victim and the accused are entitled to the same opportunities to have others present during campus disciplinary hearings. Both the victim and the accused shall be informed of the outcome of any campus disciplinary proceedings. Sanctions may include probation, suspension and/or expulsion. For more detailed information, please refer to the [Handbook of Operating Procedures - HOP \(Student Policies - Student Conduct and Discipline - Subchapter 2-300\)](#), the U.T. System Regents' Rules and Regulations ([Series 50101](#)), or the student handbook, [Mav Guidebook](#) (<http://www.uta.edu/studentaffairs/vpsa/news/index.php>). In addition to the imposition of disciplinary sanctions, the accused may face prosecution under federal or state law.

## MISSING STUDENT

If a member of the University community has reason to believe that a student who resides in on-campus housing is missing, he/she should **immediately notify UTAPD at 817-272-3381**. UTAPD will generate a missing person report and initiate an investigation.

After investigating the missing person report, should UTAPD determine that the student is missing and has been missing for more than 24 hours, UTAPD will notify the Arlington Police Department and the student's emergency contact no later than 24 hours after the student is determined to be missing. If the missing student is under the age of 18 and is not emancipated, UTA will notify the student's parent or legal guardian immediately after UTAPD has determined that the student has been missing for more than 24 hours.

In addition to registering an emergency contact, students residing in on-campus housing have the option to identify confidentially an individual to be contacted by UTA in the event the student is determined to be missing for more than 24 hours. Contact information will be accessible only to authorized campus officials and law enforcement and will not be disclosed outside of a missing person investigation. If a student has identified such an individual, UTA will notify that individual no later than 24 hours after the student is determined to be missing. Students residing on campus ([Apartment and Residence Life](#) (<http://www.uta.edu/studentaffairs/residence-life-home>), [Greek Life](#) (<http://www.utagreeks.com/home>), [Centennial Court](#) (<http://www.centennialcourtauta.com>)) who wish to identify a confidential contact can do so through Apartment and Residence Life.

## SEX OFFENDERS

Pursuant to the "*Campus Sex Crimes Prevention Act of 2000*", all states that register sex offenders are required to develop procedures to obtain from the sex offenders information regarding institutions of higher education in that state where the person is employed, carries on a vocation, or is a student. The registration information is to be made available to law enforcement agencies with jurisdiction where the institutions of higher education are located beginning October 2002. In Texas, information regarding registered sex offenders may be obtained at Texas Department of Public Safety (<https://records.txdps.state.tx.us/DpsWebsite/index.aspx>) or by contacting the police department where the sex offender is registered.

Registered sex offenders who have notified the UTAPD that they are enrolled as students or work on campus can be located at <http://www.uta.edu/campus-ops/police/crime-prevention/sex-offender.php>. A file is also maintained at UTAPD.

## HAZING

Hazing and the failure to report hazing by an individual or organization are misdemeanors in the State of Texas (Texas Education Code, [Section 37.151-37.157](#) and [Section 51.936](#)) and the Regents' Rules and Regulations Rule 50101 (<http://www.utsystem.edu/bor/rules/50000Series/50101.pdf>). Violators can be prosecuted to the full extent of the law. Penalties may include imprisonment, fines, and community service.

If the Dean of Students determines that an incident of hazing has occurred, penalties may be imposed upon both the individual(s) and the organization(s) involved.

Becoming more aware of what constitutes hazing and informing students of the risks and dangers of hazing are steps that will help eliminate hazing. All members of the University community share the responsibility to make known to the Dean of Students' Office and/or local law enforcement agency acts of apparent hazing. Individuals who participate in acts of hazing as perpetrators or victims are personally accountable.

Alleged violations of hazing should be reported to the UTAPD or the appropriate law enforcement agency and the Dean of Students' Office.

## DRUG AND ALCOHOL ABUSE EDUCATION PROGRAMS

**Office for Substance Abuse Prevention,** (<http://www.uta.edu/healthservices/new-hs/hp-sa/substance-abuse.php>) located in the UTA Health Center, offers a program to assist students and employees to make appropriate decisions regarding the use of alcohol and/or drugs. The program does not provide a long-term treatment for those individuals, but does emphasize education, programming, support, intervention, and short-term counseling. Referrals are also made to Metroplex resources when a person is identified as being chemically dependent. More information about these services and referral resources is available by contacting the UTA Health Services at (817) 272-2771.

The **Employee Assistance Program** (EAP) (<http://www.uta.edu/hr/employee-assistance/>) for full-time employees and their dependents is coordinated through the UTA Human Resources Office. The program includes four prepaid sessions for the evaluation, short-term counseling, and referral for alcohol/drug abuse, as well as other problem areas. The program is offered through Family Services of Tarrant County which has a staff of trained professional counselors. Their services are available at five Family Services locations that are convenient to UTA employees. Referrals to the EAP may be self-referrals or supervisory referrals. Services provided beyond the initial four prepaid sessions take into consideration insurance coverage and ability to pay. A sliding-fee scale is utilized and participants are evaluated for possible United Way assistance. Call **Employee Relations** (<http://www.uta.edu/hr/employee-relations/index.php>) at (817) 272-7035 for additional information.

## DRUG-FREE SCHOOLS AND CAMPUSES ACT

The Drug-Free Schools and Communities Act Amendments of 1989, Public Law 101-226, is intended to combat substance abuse on college campuses through methods of punishment, rehabilitation, and prevention. This Act requires that colleges certify that annual alcohol and drug information is distributed to each employee and student. This information must include the consequences of unlawful drug or alcohol possession, as well as information about available drug and alcohol counseling.

At a minimum, in complying with the Drug-Free Schools and Communities Act Amendment of 1989, The UTAPD distributes to students, faculty, and staff annually the "*Campus Safety Brochure*" which includes the standards of conduct that clearly prohibit the unlawful possession, use, or distribution of illicit drugs and alcohol on UTA premises or as part of any UTA sponsored activities.

### DRUGS AND ALCOHOL

Possession, use, or sale of illegal drugs (as defined by the Texas Penal Code) on campus is a violation of state law and violators will be prosecuted. State laws relating to alcoholic beverages, as defined by the Texas Alcoholic Beverage Code, will be strictly enforced. Possession and/or use of alcoholic beverages on campus are prohibited by University policy, with the following exceptions:

1. A person of legal age (21) may possess and consume alcoholic beverages inside his/her campus residence (residence halls, apartments, fraternity houses, etc.).
2. The President of the University may waive this prohibition with respect to any event sponsored by The University of Texas System or the University if the following criteria are met:
  - a. An event must be sponsored by a budgeted office, department, or division of the University.
  - b. The sponsor is responsible for organizing the event, inviting attendees, and paying expenses related to the event, including purchases of food and beverage.

In addition to criminal charges and/or fines (if applicable), any student found to be in violation of UTA's drug and alcohol policies will be referred to the Dean of Students. Drug and/or alcohol abuse counseling may be required. Faculty or staff found to be in violation may be referred to the appropriate supervisor.

UT Arlington seeks to provide its students, faculty, and staff with a drug-free environment. In accordance with the Drug Free Schools and Communities Act, the University is required to annually notify students, faculty, and staff about:

#### Health risks associated with drug and alcohol abuse

## CRIME PREVENTION AND SECURITY AWARENESS PROGRAMS

UTAPD places a high priority on crime prevention. While it is impossible to prevent all crimes, UTAPD believes that persons can be made aware of ways to reduce their chances of becoming victims. UTAPD provides a wide range of services and educational programs designed to promote campus security and that aid in anticipating and minimizing potential dangers to the population and property of the University.

While all police personnel are oriented to the concept of crime prevention, the Crime Prevention Officers attend many advanced training schools to keep his/her level of expertise current at all times. These officers act as the Department's liaison to the campus community.

Programs and information available from the Crime Prevention Officers include, but are not limited to: new student orientation; new employee orientation; campus safety; personal safety; Operation Identification; bicycle registration; property and home protection; *Texas Help End Auto Theft* Registration ([H.E.A.T.](#)); security surveys for residences and departments on campus; theft prevention; [sexual assault awareness/prevention](#); and a [R.A.D.](#) (Rape Aggression Defense) self defense class for women.

These and other programs are available upon request and are presented throughout the year to groups on campus. Additionally, the Crime Prevention Officers participate in the annual Student Congress *Night Walk* during which student representatives walk the campus and make suggestions on lighting and other areas of concern. UTAPD, EH&S Office, and Facilities Management Office are watchful for safety and security considerations in campus maintenance. Inspections of campus facilities by Facilities Management personnel are made regularly so repairs affecting safety and security can be made. Concerns regarding potential safety or security hazards may be reported to any of these groups, as well as the UTAPD at (817) 272-3381.

An electronic security alarm system located at the UTAPD's Communication Center monitors a comprehensive network of intrusion detection and duress alarm systems, as well as video monitors, located in various areas of the campus.

Anyone desiring information on crime prevention programs or related literature may contact the Crime Prevention Officers at (817) 272-3902, (817) 272-3900 or [preventcrime@uta.edu](mailto:preventcrime@uta.edu) (email).

## SAFETY TIPS

### Driving:

- ❖ Never pick up hitchhikers.
- ❖ Do not get close to a vehicle if you are walking.
- ❖ Have your keys out and ready.
- ❖ Make an inspection of the interior before you enter your vehicle. Once inside, lock all doors and windows.
- ❖ Park in well-lighted areas. Do not park where suspicious persons are loitering.
- ❖ Trust and follow your instincts.

### Off Campus:

- ❖ Keep doors and windows locked at all times. All exterior doors should be equipped with deadbolt locks.
- ❖ If you do not have a peephole, request that one be installed.
- ❖ Know whom to call in an emergency.
- ❖ Do not open your door for anyone you do not know. If a person in uniform knocks and you did not call for assistance, contact the person's place of employment to verify the reason for the visit.
- ❖ Use outside lighting and keep shrubbery trimmed around windows and doors.

### On Campus:

- ❖ Never leave your personal property unsecured or unattended.
- ❖ Look around and be aware of your surroundings when you enter and exit a building.
- ❖ Always tell someone where you are going and what time you expect to return.
- ❖ Be aware of your surroundings and think about how you would defend yourself. Develop a "game plan" for prevention.
- ❖ Avoid walking alone, particularly after dark. If walking alone is unavoidable, be aware of your surroundings.
- ❖ Walk with confidence and determination, holding your head up. Look behind and around you frequently.
- ❖ Avoid shortcuts. The shortest route is not always the safest route.
- ❖ Dress for mobility, particularly after dark.
- ❖ Carry your personal belongings in a backpack or similar container that will enable your arms and hands to be free at all times.
- ❖ Never allow someone to predict your route of travel. Whether you are driving, biking, walking or jogging, frequently alter your route between campus and your residence.
- ❖ Call (817) 272-3381 for Maverick Ride to your car or campus residence in evening hours.

### On Dates:

- ❖ Know your sexual limits and communicate them clearly and firmly.
- ❖ Do not allow your body language to send a different message than what you are verbally communicating.
- ❖ Avoid the use of mind-altering drugs (including alcohol).
- ❖ Listen to and respond to your instincts. They are usually correct.
- ❖ Never accept a ride from someone you do not know well.
- ❖ Report any obscene, annoying, or threatening telephone calls to the UTAPD.

### Residence Halls:

- ❖ Never prop your door open, even if you will be gone for only a few minutes.
- ❖ Always lock doors, screens, and windows to prevent uninvited access to your room.
- ❖ Do not go inside your residence if you return and find that the door is ajar. Immediately notify the police.
- ❖ Do not give anyone a key to your room. If you lose your room key, report it immediately to your Residence Advisor.
- ❖ Do not leave valuables in plain sight. Register, engrave, mark, and/or photograph all your valuables, including bicycles, stereos, jewelry, vehicles, computers, etc.
- ❖ Never let strangers or acquaintances into your hall. This puts you and others at risk.
- ❖ Never allow anyone to follow behind you when going into the residence hall.
- ❖ Know your neighbors. Be aware of suspicious persons and activities. If you observe someone or something suspicious, notify the residence hall staff and the UTAPD.

### **Attention Residents**

You must fully comply with the meningitis law.

      - Future plans for improvement will be accomplished through communication and educational opportunities to residences living in campus housing.

Students are advised of Campus Fire Alarm Evacuation Policy that upon the activation of a building fire alarms or report of a fire, explosion or smoke in the building all occupants shall immediately evacuate the building. Close all room doors behind you and proceed to the closest available exit using your preplanned evacuation routes. Do not use the building elevators walk down the stairwells. If possible provide assistance to mobility-impaired individuals. If you are unable to assist these individuals call police dispatch from a campus phone (x2-3003) or 911 from a cell phone from safe location. Once outside walk away from the building and report to the predetermined assembly area never reenter building for any reason unless directed by the UTAPD or the City Arlington Fire Department.

## CRIME STATISTICS

Crime statistics are collected by the UTAPD daily and a daily log is maintained for public use. The statistics are compiled monthly as part of the UT System Report. Information regarding discipline referrals from all departments is maintained by the Dean of Students and is included in the crime statistics reported in the annual disclosure of crime statistics in the Campus Safety Report. Pursuant to the [Jeanne Clery Act](#), covered violations reported to a campus security authority and/or local police departments are included in the crime statistics. There are no formal policies regarding allowing victims or witnesses to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics. In compliance with the [Student Right to Know and Campus Security Act](#), information regarding graduation rates can be obtained from the [Registrar's Office](#) – (817) 272-3372.

UTA offers classes through McLennan Community College (MCC). UTA does not own or control any property on the campus of MCC. MCC has its own police department and publishes their own security report. For a copy of MCC's police department policies and crime statistics, please contact them at (254) 299-8824, or visit their website at [www.mclennan.edu/departments/police/](http://www.mclennan.edu/departments/police/).

Some student organizations officially recognized by UTA maintain off campus locations to conduct their meetings. Once a year, the UTAPD will contact the local police jurisdiction(s) where these facilities are located to obtain crime statistics for these locations. Crimes that occur at these locations are documented in the non-campus property section of the *Campus Crime Statistics*. Currently, there are no officially recognized student organizations that have non-campus housing.

**UTA Campus** – Any building or property owned or controlled by the institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution’s educational purposes, including residence halls and any building or property within the same reasonably contiguous area that is owned by the institution but controlled by another person, is frequently used by students, and supports institutional purposes (such as a food or other retail vendor).

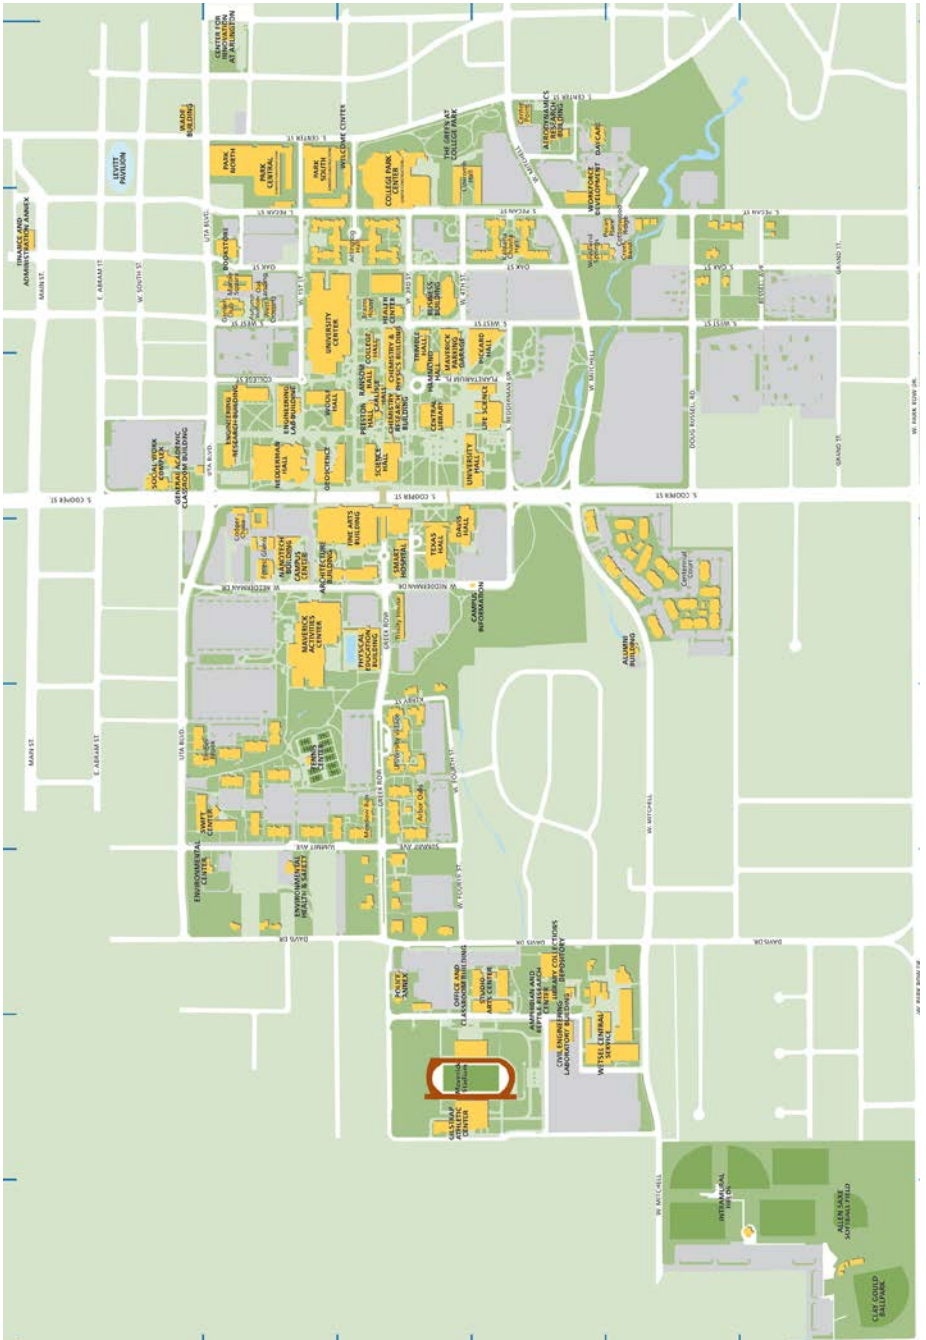

**Non-Campus Building or Property** – Any building or property owned or controlled by the institution that is used in direct support of, or in relation to, the institution’s educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution, including any building or property owned or controlled by a student organization that is officially recognized by the institution.

**Public Property** – All public property including thoroughfares, streets, sidewalks, and parking facilities that is within the campus or immediately adjacent to and accessible from the campus.

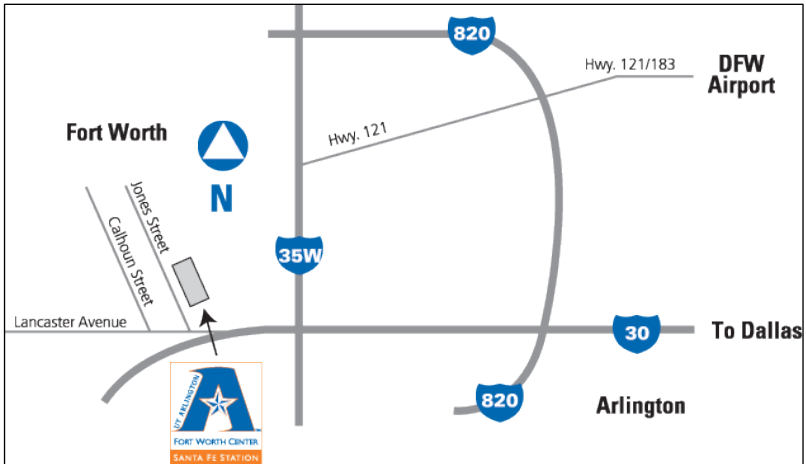

**JEANNE CLERY DISCLOSURE  
OF CAMPUS SECURITY AND CAMPUS CRIME STATISTICS ACT**

The Jeanne Clery Disclosure of Campus Security and Campus Crime Statistics Act require that colleges and universities publicize campus crime statistics and interim reports of serious crime incidents. These publicized statistics are meant to warn students, employees, and applicants of the prevalence of campus crime. Students and employees must be given interim crime reports that include statistics on murder, forcible sex offenses, non-forcible sex offenses, robbery, aggravated assault, burglary, larceny (theft), and motor vehicle theft. The annual report must also describe how to report crimes and emergencies on campus as well as the method used to collect data. The purpose of this Act is to educate the campus community about security.
