X. PROTESTS
Protests will not be considered if they are based on a decision involving the accuracy of judgment on the part of the official. The following procedure applies to all Intramural Sports activities. Teams must notify game officials that the game is being played under protest immediately following a discrepancy and/or rule misinterpretation. Team managers should insist that officials indicate notification of protest on the official score sheet. The officials working the game and the supervisor on duty will attempt to resolve the protest before the play continues. A protest form must be completed by the team manager at the conclusion of the contest.

Protests, lodged after one or more subsequent plays have elapsed, will not be accepted. Sport specific rules regarding protests are addressed in sport rule books.

All written protests must be printed on an official Intramural Protest Form, obtainable from the Intramural Supervisor at the fields/court site. This protest must be submitted to the Intramural Supervisor before leaving the playing area.

Player eligibility and rule interpretation or misapplication will be considered as a protestable cause.

All eligibility protests must be filed by 2:00 p.m. the next day.

PROTEST RULINGS
All protests will be ruled on by members of the Intramural Sports staff. Protest rulings will take into consideration all circumstances surrounding the protest discrepancy and not necessarily only a misinterpretation or incorrect ruling on the part of the official. In most cases, protests concerning a discrepancy or rule interpretation, which are upheld by the Intramural Sport staff, will be replayed from the beginning of the preceding break in the game or from the exact time in the game that the discrepancy occurred if such time can be ascertained. Special arrangements for replaying protested games would be made by the Intramural Sports staff. Upheld protests concerning player eligibility will result in the contest being forfeited by the offending team.
