If this interference, in the umpire’s judgment, is an obvious attempt to prevent a double play (including shouting or waving the arms to distract the defense), the immediate succeeding runner shall also be called out.
   5. A baserunner is struck with a fair-batted ball while off the base and before it passes an infielder that has otherwise made a play.
   6. With a baserunner on third, the batter or any offensive player interferes with a play being made at home plate.
