### ***MESSAGE FROM THE STUDENT CHAPTER***

---

We have participated in professional development through Technical Projects, arranged monthly general meeting, extended our outreach to both our academic department and to the professional community, almost won the Traffic Bowl Competition, attended poster presentation and made sure that we have fun along the way through social events. We are trying hard and soul to revive the Chapter with lots of Undergraduates.

Although we have not arranged meeting every month or did not participated in the Adopt-a- Highway program but we are sure that within the next year our Student Chapter will be one of the best in the Nation.
