

# Athletic Training Study Abroad Program Barcelona, Spain

May 14th — June 5th

## **The Course**

Get a global perspective of Sports Medicine and culture by visiting Barcelona, Spain. This program is specifically designed for undergraduate and graduate Athletic Training students. Lectures will be conducted by Spanish physicians and physiotherapists. Students will also participate in clinical rotations where they will interact with Spanish clinicians and athletes.

## **The Housing**

Students will be housed in apartments near both Centro de Fisioteràpia Toni Bové as well as the center of Barcelona.

**Academic Course:** KINE 4391 International Sports Medicine (3 hours)

## **The Cost**

The total cost will be \$4500.00 This cost includes pay in-state tuition and fees directly to UT Arlington, airfare, plus program fees that cover room & board, books, excursions, food, etc. Scholarships are available through the UT Arlington Study Abroad Office. Non-UT Arlington students are also welcome to participate in this program as a transient student.

## **Deadlines**

An initial deposit of \$500.00 is required by January 31st, 2012.
