You must schedule an appointment in advance using the
above web address.

WHY PARTICIPATE?

Know your health status related to diabetes, heart disease and stroke. Lab-accurate results are produced in minutes. Review your results with a board certified Nurse Practitioner via virtual consult and develop a personal action plan.

IT'S FREE

Your preventive care is covered at 100%. No out-of-pocket copays or coinsurance.

IT'S PRIVATE

Your personal results are not shared with your employer. However, with your permission your results are sent securely to your Primary Care Provider.

IT'S EASY

Choose a time that works for you. The checkup requires approximately 30 minutes and is available at or near where you work.
