

**Hermanns Lecture Series 2012: The Place of Memory**  
**Department of English, University of Texas at Arlington**  
**October 26, 2012, Rio Grande Ballroom (UC)**

Come hear distinguished scholars discuss themes of memory and space in history, literature, philosophy, art, and cultural theory. Come see new art works--videos and photographs—that challenge us to rethink how we conceptualize memory and space. Controversial and thought-provoking pieces will provoke significant questions and discussions regarding culture, memory, space, and the role of the self.
