

Rules and Regulations
Welch Summer Scholar Program
The University of Texas at Arlington

The purpose of the Welch Summer Scholar Program is to give promising young people the opportunity to participate in research in the chemical sciences. In order to provide the best learning environment possible, and in order to ensure the safety and well-being of our WSSP participants, we will strictly enforce the rules listed below. ***Any one who breaks these rules or does not participate in a positive way will be sent home immediately at the parents' expense.***

1. Anytime you leave the dorm after class hours, you must inform the WSSP counselors of your whereabouts. Because there is safety in numbers, you are strongly encouraged not to go out alone.
2. Evening check-in is at 10:00 PM every evening, and "lights-out" will be observed at 11:00 PM on weeknights. ***You must be in the dorm no later than 10:00 PM each evening unless you are with a WSSP counselor or faculty advisor on some officially approved activity. If you leave the dorm after 10:00 PM, you will be sent home immediately.***
3. You are not to leave the University area. This area includes the area within Abram St. on the north, Center St. on the east, Mitchell St. on the south, and Summit on the west. You may not to ride in any vehicles other than official university vehicles unless given approval by the WSSP faculty director or one of the WSSP counselors. ***Anyone who leaves the UTA campus (other than for WSSP activities) will be sent home immediately.***
4. All WSSP participants are expected to stay on campus at all times except when involved in a WSSP-sponsored activity. If you would like to attend a religious service or visit with a relative during the weekend, then your parent or guardian must fill out and sign a "Permission to Leave" form. This form must be received by Dr. Rogers no later than 9:00 AM on the Friday of the weekend you plan to be gone, and you must return to the dorm no later than 10:00 PM on Sunday night.
5. Report all illnesses and injuries to a WSSP counselor or Dr. Rogers immediately. In the event that either cannot be found, go to the Health Center but leave a note for the counselor or faculty director.
6. Obey all dorm rules and regulations. No alcohol or illegal drug consumption or tobacco use is permitted. ***Anyone who uses alcohol, illegal drugs, or tobacco will be sent home immediately.***
7. Be sure to keep your door locked when you are out.
8. You must be in your research lab during the times that you and your faculty researcher determine. ***Anyone who willfully misses work will be sent home immediately.***

I, _____, have read the above rules and understand them and the consequences of any infraction.
