

**UT ARLINGTON FORT WORTH CENTER
ALUMNI CHAPTER**

April 2007 Networking Event

The UT Arlington Fort Worth Center Alumni Chapter Board wishes to thank all those who attended the recent networking event held last week at the Fort Worth Sante Fe Center. It was an enjoyable evening where MBA, HCAD, Engineering, and Education, graduates and/or students met other professionals and discussed the respective interests of their professions. Participants' employment professions included Healthcare, Information Technology, Finance, Marketing, Education, Engineering, and Government.

Door prizes were also presented and the winners included Bill Johnson-Borders Gift Certificate, Jill Frawley, Rusty Branch and Marissa Medina who all received UTA gift bags.

We would also like to express our thanks to Dr. Mike West who gave the opening statements to the group and encouraged the participants to remain involved with the Alumni Association and Chapter.

We encourage everyone to stay tuned to the Fort Worth Center Alumni website for more upcoming events already scheduled for late May and June.
