

GALLERY76102

UT ARLINGTON/FORT WORTH CENTER

Gallery76102 at the UT Arlington Fort Center is currently accepting proposals for spring and summer 2011 exhibitions. Each exhibition is approximately 2 months. The Gallery will provide the installation, insurance, opening reception and invitations. The artist will be responsible for delivering and picking up their work and providing an email invitation list. We would also encourage attendance at the opening reception.

There is no fee for the submission of a proposal. All media will be considered. Both solo and group proposals will be considered. Proposals for guest curatorships are also considered. Please see overview of responsibilities of guest curators below.

All proposals are reviewed and selections made by the Gallery 76102 Exhibition Advisory Panel, consisting of prominent artists, educators and business people, active in the local art community. All decisions of the panel are final.

Proposals should be aligned with the Gallery's Mission and Goals which are as follows:

- Provide Tarrant County and the Fort Worth community with a venue for exhibiting contemporary art
- Present exhibitions focusing on works by artists living and working in Tarrant County
- Collaboration with Tarrant County universities, colleges and alumni
- Represent the cultural diversity of our community
- Provide an environment that encourages new ideas and trends in the contemporary art community
- Provide a venue that expresses the history of Fort worth through the eyes of contemporary artists

Please submit only new work, which has not been exhibited locally (Tarrant and Dallas counties), in any venue, either commercial or academic, within the past two years.

All proposals must include:

- Artist(s) Name
- Artist(s) Contact Information (name, mailing address, email address, phone)
- Group or Single Exhibition or Guest Curatorship
 - Group – theme, how many artists
 - Single – A brief statement explaining why you should have your own exhibition
 - Guest Curatorship – theme, how many artists or a brief statement explaining why a solo artist should have his or her own exhibition
- Artist Resume(s) for each artist represented in the proposed exhibition
- Artist Statement(s) for each artist represented in the proposed exhibition
- CD with digital images of work to be considered for the show

Include images of enough work to display satisfactorily in the gallery space (see diagram of the gallery on www.gallery76102.org). This usually represents about 20 pieces/images. If the proposal is accepted, at least 60% of the submitted work must be available for the exhibition. The other 40% may be new work, but should be similar in style and content to that previously submitted.

- Include a hardcopy of thumbnail images in a Word doc with title of each piece and description, including media, dimensions, date the art was created, and a sentence or two describing the piece, particularly noting any details that are difficult to discern in the photograph (such as texture, movement, unusual elements, etc.)
- Additionally, if you would like the CD returned to you, please include a self-addressed stamped envelope

Only proposals with all the above information will be considered. Proposals must be received by **September 3, 2010** to be considered for spring and summer 2011.
