Thankful
As 2019 comes to a close, and a new year begins, we thank the many donors, alumni, instructors, and community partners for supporting the Goolsby Leadership Academy. Your intentional investment in the development of future business leaders is leaving a legacy in communities, board rooms, and at The University of Texas in Arlington.

Thank you for providing these opportunities as you continue to invest your time and treasure in our Scholars.

Jerry
Director

Impact
In addition to classes, jobs, organizations, and Academy functions, Scholars continue to have a positive impact.

Jaiven Thompson and Jesse Bunn participated in a panel with alumni talking at the launch of the Dean's Leadership Circle (DLC). The DLC provides an opportunity for alumni to engage with the College of Business, and by their membership raise support for future scholarships. Click for membership information.

Additionally, this semester the Scholars supported the Arlington, Texas Chamber of Commerce's Corporate Citizenship Forum at the University Center. This was a networking and learning opportunity for Academy and Beta Gamma Sigma (BGS) students as they escorted leaders and attendees between presentations and information sessions.

Scholars, Thank you for your dedication to engaging those around you and demonstrating the courage to grow.

GIVING
https://giving.uta.edu/Give
Designation - Other: Goolsby Leadership Academy
ACCT/FINA BBA  
West is currently the program manager for two Senior Cohort projects.
The Scholars are coordinating a regional Leadership Conference in Fort Worth (April 3rd) and are supporting the Tarrant Area Food Bank during the Spring Semester.
After graduation, West plans to stay in the DFW area and work in the financial industry.

College of Business Magazine  
The inaugural issue of The Business Maverick magazine is here. This is the beginning of an annual publication for the College of Business. We encourage you to read the magazine and reach out to let us know how and what you are doing.
