GOOLSBY LEADERSHIP ACADEMY APPLICATION

All Goolsby Leadership Academy students will participate in courses that emphasize leadership development, communication, ethics, and personal integrity. Some courses may fulfill degree requirements while others will be considered elective courses in the student's degree plan. Much of this depends on the student's program of work and major.

The Goolsby Leadership Academy scholarship is open to both full-time and part-time business students. The Academy is a two-year program and is normally awarded for the student's junior and senior year. Annual scholarships (\$2,000) will be awarded to students selected for the Academy. Although applicants must have a 3.0 or higher GPA at the time of application, preference will be given to those applicants with a 3.2 or higher GPA. Those accepted to the program are required (1) to maintain full-time status (minimum of 12 hours) beginning in the Fall of their first year in the Academy and throughout the Academy fellowship and (2) to maintain at least a 3.0 GPA to receive scholarship support. Candidates meeting the pre-selection criteria will be contacted for an interview as part of the selection process.

Those chosen as Goolsby Fellows are strongly encouraged to gain admission to the Honors College. The Honors College seeks students with broad interests, varied talents, and diverse cultural backgrounds. Admission is competitive and is not based solely on grades or test scores; a student's personal statement and extracurricular activities are also considered. Although this application also qualifies as an application to the Honors College, the decision to accept the student into the Honors College is made separately.
