Dear Dr. Karbhari:

Thank you for submitting the following substantive change:

Substantive change:

OCIS Relocation - Non-Branch
Current: The Universities Center at Dallas
1910 Pacific Avenue
Dallas, TX 75201

New Address:
801 Main Street
Suite C340,
Dallas, TX 75202

Submission date:

Implementation date:
6/1/2018

Case ID:
SC004954

The Universities Center at Dallas moved to a new location in June 2018.

Notification of the relocation was delayed due to a new Dean in the College of Business, and a new Program Director for the Master of Science program in Healthcare Administration (which is offered at the site). The new site will serve the same student population. It is approximately seven miles from the former location and is comparable in square footage, number of classrooms, number of computer labs, and student amenities.

The Commission accepts late notification of relocation of the Universities Center at Dallas off-campus instructional site.
