Belle Wheelan, Ph.D.  
President  
Commission on Colleges  
Southern Association of Colleges and School  
1866 Southern Lane  
Decatur, Georgia 30033-4097

Dear Dr. Wheelan,

This letter is to notify the Commission on Colleges of an upcoming location change of an established off-site location. The Universities Center at Dallas has been an approved off-site location since January 21, 2000. It is currently located at 1901 Main Street, Dallas, Texas 75201. The site will be moved to a new physical location effective August 27, 2015. The new physical location is 1910 Pacific Avenue, Dallas, Texas 75201. The distance between the Main Street location and the Pacific Avenue location is less than a half mile.

The Pacific Avenue location is comparable to the current Main Street location in square footage (Pacific Avenue location has 2,000 additional square foot of space), number of classrooms, number of computer labs (Pacific Avenue location has two computer labs like current Main Street location, plus an additional smaller lab), and student amenities (student store).

Please let me know if additional information is required.

Sincerely,

A handwritten signature in black ink that reads "V. Karbhari".

Vistasp Karbhari  
President
