Dear Mr. Spaniolo:

Thank you for your letter of June 30, 2011, notifying the Commission on Colleges that the University of Texas at Arlington will offer a 15 hour graduate-level Superintendent Certificate via the internet, effective August 15, 2011. UT Arlington has offered courses that prepared students to take the Texas exam to be certified as a Superintendent. The University will use these same courses for a certification that will be awarded by the University. The new program will be offered in cooperation with Academic Partners.

**Since the program does not represent a significant departure from your approved curriculum and since the institution is approved for the electronic delivery of 50% or more of a program's credits, we accept the notification and require no additional information.**

Best regards,
