Dear Dr. Wheelan:

I am responding to a question in your letter of May 21, 2008, in which you notified The University of Texas at Arlington of the Commission's acceptance of our notification of intent to offer a joint dual Master of Science and Doctor of Philosophy degree in physics with Changwon National University (CNU) in South Korea and requested information about the implementation date of the program.

The program will be implemented in the coming spring semester, which begins in January 2009.

Sincerely,

James D. Spaniolo, President
