Dear Mr. Spaniolo:

Thank you for three recent letters regarding change at your institution. Your letter of June 2, 2008, transmitted the prospectus for the Master of Science in Social Work degree program to be offered at the following off-campus instructional site to begin fall, 2008:

Lubbock Christian University
5601 – 19th St.
Lubbock, TX 79407

The implementation date is revised; your notification for the program, accepted in my letter of May 30, 2007, included an implementation date of fall, 2007. The program is a 44-credit hour Advanced Standing MSSW with a concentration in Direct Practice and specialization in Child and Family Services. Instructional delivery will include a combination of on-campus instruction at Lubbock Christian University (LCU) and distance learning technologies, primarily interactive television, which will be transmitted from the UTA main campus to LCU.

The program will be identical to the program offered on the main campus. We approve the proposal, shall include it within the scope of accreditation previously granted, and wish you and your colleagues much success with it. Enclosed is an invoice for \$300 to defray the costs associated with the review of this substantive change.

Your letter of June 13, 2008, notified the Commission of your intent to offer, effective fall term, 2008, two new certificate programs:

Certificate in Law Enforcement Administration

Certificate in Law Legal Studies

Both programs consist of five undergraduate courses from the approved curriculum. We accept the notification and require no additional information from you.
