

Assessment Based Improvement Report
Department(Unit): International Office
College (Division): Provost & Vice President for Academic Affairs

Assessment Result from UEP that Indicated Need for Improvement	Improvements Implemented	Semester
1. Certain geographical areas in which international recruitment was taking place were not increasing by the projected 10%. 2. Numbers of students in UTA study abroad programs increased, particularly in faculty-led programs but not in the area of exchanges.	1. Registration lists are obtained from recruitment fair sponsors. Students who stop at the UTA table for information are contacted by the Graduate School and Undergraduate Admissions to encourage their application to UTA OR contact cards are filled out by students who stop at the table and are contacted by the admissions area to encourage them to apply to UTA. 2. Instituted Information sessions held five (5) times during the semester to better inform students about opportunities for study abroad. Increased advisors from 1 to 1.5.	Fall-2004
