

Colloquium

University of Texas at Arlington- Mathematics Department
Proudly presents

DR. CHI-KWONG LI

FERGUSON PROFESSOR OF MATHEMATICS

Department of Mathematics
College of William and Mary

Friday, October 9, 2009

3:00pm

304 Pickard Hall

“Quantum Computing and Matrix Analysis”

Abstract:

Some recent results on matrix analysis related to quantum computing will be discussed. Open problems will be mentioned.

Refreshments served before the talk and socializing will follow after
