UT Southwestern Adaptive Sports EXPO
October 28th, 2017 from 9 a.m.-3 p.m.

Event Activities
Come enjoy a day of interactive adaptive sports activities, including:

- Wheelchair basketball
- Sit volleyball
- Goalball
- Rugby
- Golf
- Track & field
- Dance
- and more!

Local resources will be available to help individuals of all abilities and interests get involved! Medal-winning paralympians will speak about their experiences with adaptive sports.

Together, we can increase awareness of adaptive sports and help promote an active, healthy lifestyle for everyone in the DFW area!

For more information and to RSVP (not required), please visit our Facebook event page: “UTSW Adaptive Sports Expo”

For questions, please email adaptivesports@utsouthwestern.edu

Organized by the UT Southwestern Adaptive Sports Coalition and the UT Southwestern Department of Physical Medicine and Rehabilitation
