

Greetings!

Intel's 2008 Fall Virtual Chats are open for registration!

Come learn more about Intel! We're excited for the 2008-2009 academic year, and have published new upcoming Virtual Events. We're including a brief overview; check out our [Calendar of Events](#) to read presentation topics, presenter biographies, and to register for each event, or select individual chat links below.

October:

- **10/28:** [PhD Opportunities at Intel](#)* - Come learn about PhD Recent Graduate and Intern opportunities with Components Research and Technology Development, two leading edge groups of Intel's Technology Manufacturing Group.

November:

- **11/4:** [Technical Female Emerging Leaders at Intel](#)* - Hear the perspectives and experiences of three technical females at Intel who are recognized as "Emerging Leaders" by the Society of Women Engineers!
- **11/5:** [Diversity Initiatives at Intel](#)* - Come listen to our three Diversity initiative managers discuss leading Intel's strategic plans for attracting, developing and retaining a diverse workforce.
- **TBD Late November: Greater Asia Region*** - Find out about opportunities in China, Malaysia, Vietnam from three of Intel's Greater Asia Region managers. Check the [Calendar of Events](#) soon for an official date!

* Denotes a corresponding **Virtual Career Fair** will be offered. To receive career fair access you must register for the related chat. Attendees automatically receive advance access at the conclusion of the chat presentation. All registrants receive the career fair link via email regardless of chat attendance.

Archived chats can be found at: <http://www.intel.com/jobs/virtualevent/replays.htm>.

Please forward this invitation to other students and faculty that may be interested in learning more about Intel or attending our Virtual Events!

Regards,
Intel Corporation
College Recruiting Team
