Sponsored by

The University of Texas at Arlington Materials Science and Engineering

Materials Camp for Kids

The UT Arlington Material Science and Engineering Department cordially invites elementary school kids to the 4th annual Materials Camp for Kids at UT Arlington. Come expose your mind to the exciting and fun world of science and technology.

What will you do?

- Observe atoms using an electron microscope (you could be the youngest kid to observe real atoms)
- View a gold-coated bug with magnification 30,000 times better than your eyes
- Make electricity
- Write your name with shiny and tiny particles
- Visit the UTA Nanotechnology Facility
- Watch the stars at the state-of-art UTA planetarium (<http://www.uta.edu/planetarium/>)

Free pizza! Free T-shirt!

Certificate of participation

Date: 7/25/09 (Saturday) From 8:30 AM to 5:00 PM

Cost: FREE!

Sponsors: National Science Foundation (NSF)

Dept. of Materials Science & Engineering, UTA

The College of Engineering, UTA

Target students: Students entering 4th and 5th grade

Number of students: Maximum 12 students
