APPLY NOW | 866.489.2810 | www.stateu.com/uta

* Additional fees may apply; university reserves right to increase prices at any time.
Every RN to BSN student will begin the nursing program with Professional Nursing N3345 following successful completion of ENGL 1301 & 1302. You will need to complete Technical Writing either prior to or concurrently with Professional Nursing (concurrently only if ENGL 2338 Technical Writing is taken at UTA) before advancing to other nursing courses.

### NURSING COURSES

- **N3345** Professional Nursing
- **N3325** Holistic Care of Older Adults
- **N3335** Promoting a Healthy Lifestyle
- **N3375** Health Policy and Legal Aspects
- **N3315** Health Assessment
- **N4325** Nursing Research
- **N4455** Nursing Leadership & Management
- **N4465** Care of Vulnerable Populations Across the Lifespan
- **N4655** Capstone Course

### GENERAL COURSES

All General Courses must be successfully completed prior to entering into the final Capstone Course in the RN to BSN nursing degree program. You may have already completed many of these courses through prior academic work and you may receive credit for classes previously completed in past academic coursework. An academic advisor will provide a course map once you have applied, submitted your official transcripts, and are accepted by the UT Arlington College of Nursing and Health Innovation.

- **ART 1301** Art Appreciation
- **BIOL 2457** Human Anatomy and Physiology I
- **BIOL 2458** Human Anatomy and Physiology II
- **BIOL 2460** Microbiology
- **ENGL 1301** Critical Thinking, Reading & Writing I
- **ENGL 1302** Critical Thinking, Reading, & Writing II
- **ENGL 2338** Technical Writing
