Career Goal Statement Guidelines

250-350 word essay

- Career Goals/Objectives
- How DNP will advance career goals
- Area of interest/plans for project, practica
- Strengths (academic, personal, professional)
- Provisions made to facilitate successful completion

You will need to write a Career Goal Statement of 250-350 words (double spaced, font size of no larger than 12). It will need to include the above content. Your ability to write will be evaluated and your career goal statement will be ranked according to its contents, the clarity of our statement, and whether it includes typos and grammatical errors.

Please make sure to include name and student ID number in upper right corner of document.
