

International Nurses Society on Addictions

2002 Annual Educational Conference

Forging Frontiers in Addictions Nursing

September 24-28, 2002
Menger Hotel
San Antonio, Texas

www.intnsa.org

Welcome from the President

The 2002 Conference of the International Nurses Society on Addictions (IntNSA) will focus on the frontiers in addiction science on a global level. Breaking discoveries in genetics, neurochemistry, treatment outcomes, prevention, health policy and addictions education across the lifespan and across cultures will be the focus. The planning committee, under the direction of Carolyn Jewell and Board Liaison Cathy Buffington, has been hard at work for the past year and I know you won't be disappointed!!

We are thrilled to be hosting the meeting of the National Organization of Alternative Programs (NOAP). This multidisciplinary group of health professionals' mission is on equity for all health professionals who have impaired practice. We anticipate that this collaborative effort will be very beneficial for all conference participants.

Please invite all your colleagues to come to San Antonio where the weather is warm and the air full of anticipation for our educational program complete with networking opportunities and inspirational events and traditions. The predominant Hispanic culture and Texas history in San Antonio will be available for your enrichment and enjoyment.

Many of you planned to attend the 2001 conference and were unable to do so due to 9/11. All the more important reason for you to plan to attend this year's conference, the 28th IntNSA conference!! Join with your colleagues for a meaningful, rewarding experience. I know that you have several professional opportunities in your career, and I hope you choose IntNSA to be the conference you return to each year. I look forward to meeting each one of you, and I ask for your continued support and involvement in IntNSA. Share your ideas, get involved, and be a voice for nurses worldwide.

With warm affection,
Diane Snow, PhD, APRN, BC, CARN, PMHNP
President, International Nurses Society on Addiction

Welcome from the Conference Organizers

We are excited about the IntNSA conference and the opportunity to explore new frontiers in addictions. Nurses and other health professionals who care for individuals and their families can benefit from the latest information about trends, changes, and opportunities in this specialty. Our committee chose speakers for their expertise on a wide range of topics and cutting edge information. The program has been approved for 28.3 contact hours which include the CARN Workshop, two of the three pre-conference workshops and the remainder of the conference. The CARN Workshop on Tuesday is a general review course of addictions. Plan to join us for the conference and an opportunity to network with your international colleagues in exciting San Antonio.

We welcome the National Organization of Alternative Programs (NOAP), who is partnering with IntNSA for this conference. They will hold their annual meeting and participate in all that our conference offers.

Carolyn Jewell, MSN, RN, CS, PMHNP, LCDC, CARN-AP
Cathy Buffington, RN, BSN, MS

National Organization of Alternative Programs (NOAP) Welcome and Thank You to IntNSA Members

NOAP, the only formal, national organization representing the diverse needs of alternative to discipline programs for health care professionals is pleased to hold its annual conference "Maintaining a Positive Commitment to Safety, Monitoring, Rehabilitation and Recovery" in conjunction with IntNSA's Annual Educational Conference. We appreciate IntNSA's graciousness and support in helping to host NOAP's conference. This will be a great opportunity for NOAP members to engage in constructive dialogue with IntNSA members. NOAP recognizes the invaluable leadership role IntNSA has forged for so many who have a stake in the education, care, and research of the addicted population.

Mike Van Doren, MSN, RN, CARN
President, NOAP

Conference Description

Addiction nurses care for individuals and families in a wide array of settings, including acute care, maternal-child, mental health units, community agencies, primary care clinics and home care. This conference will strive to forge new frontiers in nursing by highlighting the latest research, clinical innovations, evidence-based care, and general information related to addictions nursing. Opportunities will be provided for networking with colleagues both during and after the conference.

2002 Conference Objectives

- Enhance knowledge of significant developments in the field of addictions.
- Explore outcomes and practice implications of research-based initiatives regarding the identification, prevention, and treatment of addiction-related health problems.
- Advance skills to promote comprehensive, evidence-based quality care for individuals and their families experiencing problems related to addictions.
- Examine innovative roles and opportunities for addictions nurses in a wide range of practice settings.
- Strengthen commitment to advocating for and providing access to quality health care for special populations at risk for health problems related to addictions.
- Increase networking opportunities with other nurses who focus on addictions in their practice.
- Promote international collaboration and perspective on addictions.

Target Audience

- Nurses who specialize in addictions
- Nurses who care for individuals and their families in other specialty areas
- Other health professionals who practice in addictions treatment
- Nurses who practice in schools and colleges, work site EAPs, primary care, women's health clinics, community agencies, tertiary care facilities, extended care facilities, acute care hospitals, private practice
- Certified counselors

San Antonio

San Antonio, the eighth largest city in the United States, is rich in history and heritage. You will be struck by San Antonio's lively cultural scene, intertwined with multi-cultural traditions. The pace is relaxed and the attitude is casual. Visit the Alamo, the "Cradle of Texas Liberty," where, for 12 days in 1836, General Santa Anna's Legions besieged a small band of Texans. Take the "Mission Trails" and visit the other four historic Spanish Colonial missions. Just a flight of steps below the downtown, winds the renowned River Walk. Shaded by trees and accented by lush tropical greenery, the banks of this lovely retreat are lined with sidewalk cafes, shops, galleries, and clubs. Take a scenic boat ride, or relax and enjoy everything from nachos to a 4-star meal. You will have the opportunity to sample BBQ, Tex-Mex, Southwestern Nouvelle, and other world cuisines. Tap your foot to jazz, reggae, R & B, tejano, country-western, and more. A trip to San Antonio is not complete without a visit to Market Square, a lively Mexican Market and La Villita, a picturesque village of artisans' workshops, galleries, and boutiques. Gifted singers, dancers, musicians, theater groups, and artists all contribute to a lively art scene spread throughout the city.

Self-Guided Tours

Saturday, September 28, 2002 – 1:00 pm

Join colleagues for a self-guided tour of some of San Antonio's most famous and popular sites. Small groups will be able to group together according to their preferences. Selection may be made for the Alamo, the Riverwalk, Riverboat rides, the Institute of Texas Cultures, Hemisphere Park, and River Center Mall.

Please mark your registration form if you intend to join a small group so that groups may be organized.

Cost: Tour is free.

Chuck Wagon Party

Saturday, September 28, 2002-5:30 pm – 10:30 pm

Please join us for a Chuck Wagon Party on a real Texas working ranch. The 7A Ranch will host us for entertainment, hayride tour of the ranch, chuck wagon supper, and a band.

Cost: \$47.50 per person (includes transportation, meal, entertainment) Minimum of 40. Please book early and bring a friend!

Hotel Accommodations

The Menger Hotel

204 Alamo Plaza

San Antonio, Texas 78205

(210) 223-4361 or (800) 345-9285

The historic Menger Hotel is located next door to the Alamo. The hotel has hosted some of the most important and colorful people of the past. "O'Henry" included it in several of his works, President Eisenhower enjoyed strolling the gardens, and General Robert E. Lee rode his horse, Traveler, into the lobby.

In the 19th century wing, there are unique Victorian-style rooms that have been preserved and are available by special request. The Menger Bar is an exact reproduction of the House of Lords' Pub and is where Teddy Roosevelt recruited his Rough Riders for the Spanish-American War.

A special room rate of \$126 single/double, \$136 triple/quad is available through **August 24, 2002**, or until the room block is filled. Reservations received after the cut-off date will be accepted on the basis of availability and the prevailing rate.

Please identify yourself as a participant in the International Nurses Society on Addictions Conference. Make your reservation today to insure a room.

Special Accommodations

All facilities are accessible to persons with disabilities. Please call the Menger Hotel to describe your special needs. In order to assure accommodation, please call at least two weeks before the program. If you have special needs related to meals, please contact The University of Texas at Arlington in writing at least two weeks prior to the meeting.

Continuing Education Contact Hours

The University of Texas at Arlington School of Nursing is approved as a provider of continuing education in nursing by the Texas Nurses Association, which is accredited as an approver of continuing education for nurses by the American Nurses Credentialing Center's Commission on Accreditation. This approval meets Type I criteria for mandatory continuing education requirements. This program has been approved for 17.1 contact hours. Additional contact hours are available for the pre-conference.

Therapists and Counselors

Approval is pending through the University of Texas at Arlington School of Social Work for CEUs for Texas Association of Addiction Professionals (TAAP) and Licensed Chemical Dependency Counselors (LCDC). There is a \$25.00 fee to obtain these hours. (See Registration Form)

Air Travel

Discount air travel arrangements can be obtained by calling Carlson Wagonlit at (800) 933-8140. Participants may fly into the San Antonio International Airport. Ground transportation is available through SA Trans at a charge of \$8 one-way or taxi (\$14-16 one way). You may share a taxi and split the fare. All rates are subject to change.
