Smart Hospital™ Fee Schedule

The School of Nursing faculty and staff are available to work with organizations to develop individualized educational plans to meet specific assessment and training needs. The Smart Hospital™ clinical and research facility enhances effective and efficient learning experiences with its wide array of resources, from high fidelity manikins and patient actors to its MicroSim™ computerized case studies. The 23 bed-facility is a state of the science facility that is a Laerdal Center of Excellence in Simulation, a Hill-Rom National Demonstration showcase and a Cardinal Health Nursing Discovery Center that also features Cardinal Health equipment and materials such as the Pyxis® Medication System.

The schedule below provides a general overview of elements typically used to develop the price quote for each specific plan.

- Simulation Evaluation and Education
  - Includes the use of up to 4 manikins, direction of simulation, technical and debriefing support with existing scenarios. (max 20 people) — $1000/each 4 hour increment
  - Additional fees
    - After hours usage — $500/each 4 hour increment
    - Development of customized scenario — $50/hour
    - Use of Standardized Patients(actors) — $30/hr/SP
    - Development of script/training for SP — $30/hr
    - Supplies — Actual usage

- Use of task trainers and computer resources
  - Training using task trainers (including Virtual IV) — $25/hour/person
  - Screen-based simulation — $25/hour/person
  - Training on new equipment — $25/hour/person

- Tours – Standard tours are given twice a month. Please see Smart Hospital website for dates and details on how to sign up for a tour. Virtual tours are available online.

- Faculty training programs and simulation workshops are given twice a year. Please see the Smart Hospital website for dates and costs.
