Instructions for Starting Your Online Session

Step One: Log into uta.mywconline.com. Find your appointment. All online appointments will be marked with a yellow box.

Step Two: Click on your appointment box. Your browser will open to a new page with your consultant’s name at the top and the date and time of your appointment. Scroll down to find the red text stating “Start or Join Online Consultation.” Click this phrase to begin your session.
**Step Three:** Your web browser will open to a new page with a camera screen on the left, a chat box on the right and a white board in the middle. Copy and paste or upload your text to the white board. Use the chat box on the right to communicate with your consultant.
