CRIMINAL ACTIVITY - ILLEGAL DRUG POSSESSION AND USE

It is important that the Police Department be aware of your past and current **ILLEGAL** drug usage. The following is a description of "usage." For drugs such as cocaine, list the number of times that you snorted, smoked or ingested the drug. As for marijuana, list the total number of times you ingested marijuana. This includes taking a hit or puff from a joint of marijuana or eating marijuana brownies. Each separate instance of usage, regardless of quantity used or consumed, constitutes "one time used." You will be given an opportunity to explain the first and last time you used each drug. You must also explain how you used the drug. If the drug was smoked, snorted, injected, eaten, or used in any other manner, you must explain how it was used.

When asked to give the maximum number of times that you used the drug, you must give the **ABSOLUTE MAXIMUM NUMBER OF TIMES YOU USED THE DRUG**. For instance, if you snorted cocaine six times and you state that you used cocaine five times, you will appear to be deceptive when questioned on the polygraph. Likewise, if you are not sure how many times you used a drug, such as marijuana, then state the absolute number of times that you believe that you could have used the drug.

Please complete the following chart, explaining if you have used each of the drugs mentioned, the first time (what year) you used the drug, the last time (year) you used the drug, the maximum number of times you used the drug and how you used the drug.
