Be A Maverick.™

A Maverick is a Professional

The UTA Police Department continually strives for excellence. In pursuit of excellence, the UTA Police Department is well on the path towards Accreditation. The Law Enforcement Accreditation Process ensures that the UTA Police Department attains and maintains the high standards that a professional Law Enforcement Agency should adhere to.

The focus on professionalism begins with training and the UTA Police Department benefits from modern training programs, knowledgeable and professional training officers, and partnerships with other agencies such as the Arlington Police Department, Federal Bureau of Investigations and the Drug Enforcement Administration.

UTA Police Officers, as members of the University of Texas System Police, attend the UT System Police Academy in Austin, TX. The twenty three week program exceeds the state mandated basic peace officer training curriculum and begins the focus on professionalism and excellence. Upon graduation from the Academy, UTA Police Officers progress through a fifteen week comprehensive Field Training Program that focuses on Problem Solving and Community Policing.

UTA Police Department Communications Operators and Guards progress through comprehensive field training programs specifically suited for the job duties of each position.

A Maverick is Involved.

The UTA Police Department is increasingly an integral component of the UTA Campus Community. Several members of the department take part in the Student Leadership Retreat and members often participate at campus events such as: Mud Volleyball, Balloon Bash, Mav Cookout.

Members of the UTA Police Department provide Crime Prevention Presentations to a large spectrum of the campus community. Other Crime Prevention Services include the Campus Watch Program, Night Walk, Mav Escort Service, and the Rape Aggression Defense Program.

The Campus Community provides a perfect opportunity to make a difference and the UTA Police Department is an integral part of that equation.
