

Any international employee sponsored for a nonimmigrant visa petition by The University of Texas at Arlington MUST answer questions truthfully.

If a question is non-applicable, please answer with an N/A
All Dates must be in this format: m/d/yyyy

Failure of an international employee to truthfully answer the following questions may result in the withdrawal of immigration documentation filed by the University on behalf of the individual. Please be aware that USCIS has had significant improvement in record-keeping capabilities in recent years, so that any issues that an individual has experienced in the past with immigration will likely re-emerge at some stage of the current immigration process. Please also be aware that even if the individual has successfully been granted nonimmigrant status despite a past inconsistency/immigration problem, that is no guarantee that the problem will not re-emerge with any new petitions, particularly a petition for permanent residency (green card).

Disclosure of your social security number ("SSN") is requested as part of your application for employment with The University of Texas at Arlington (the "University"). During the employment application process, your SSN will be used as a unique number in order to identify you within the University's current applicant tracking system. Disclosure of your SSN at the time that you apply for employment is voluntary, but disclosure of your SSN is mandatory before you may be employed by the University. Federal law requires the University to report income and SSNs for all employees to whom compensation is paid. Employee SSNs are maintained and used by the University for payroll, benefits, internal verification, and administrative purposes, to verify employment, and to conduct background checks for security sensitive positions. The University reports SSNs to Federal and State agencies or their contractors as authorized or required by law and for benefits purposes. Further disclosure of your SSN is governed by the Public Information Act (Chapter 552 of the Texas Government Code) and other applicable law.
