Your Health Care Options

As a result of increasing health care costs, the HMO Blue plan will see significant increases in out of pocket costs. Due to that, UT System has notified us that HMO Blue will not be offered after August 31, 2007.

If you wish to enroll or remain in the HMO plan for the 2006/2007 plan year, you must elect HMO Blue during Annual Enrollment to be held from July 1, 2006 through July 31, 2006. If you do not make an election for HMO Blue plan during Annual Enrollment period, you will be automatically enrolled in the UT Select PPO plan beginning September 1, 2006.

Below is some information that may assist you in understanding you health care options.
