Honors Academy

The UT Arlington Honors Academy provides a program of study for motivated high school students who enroll in university courses to earn college or dual credit. Honors Academy students can earn up to eight hours of course credit per semester towards a college degree while also meeting high school graduation requirements. UT Arlington offers qualified high school students an outstanding learning experience that will provide the foundation for a successful transition from high school to university-level coursework.

Honors College students achieve excellence in academics, research, service and individual development in an educationally and culturally diverse community of scholars, leading to professional success and personal fulfillment.

The Honors College

The Honors College at the University of Texas at Arlington is a community of exceptionally capable and highly motivated undergraduates who seek the excitement and stimulation of a major urban university along with the individual attention provided in honors courses.

The College promotes creative inquiry among students and faculty within a challenging academic environment. Students enroll in multidisciplinary courses, seminars and colloquia, and pursue internship, service learning and study abroad programs designed to extend their academic experiences beyond the classroom.

The College sponsors lecture series, regional field trips and other scholarly and social events that complement the academic program.

You are cordially invited to visit the Honors College, which is located in College Hall. To schedule a visit, call 817.272.7211 or email honors@uta.edu.

Honors College Benefits

Honors Degree: The Honors College grants an Honors degree in your chosen discipline.

Small Class Size: Allows student discussion and participation as well as faculty-student interaction.

Award-Winning Faculty: Honors courses are taught by experienced faculty known for excellence in the classroom as well as in their academic fields.

Scholarship Opportunities: Honors College students are awarded over $400,000 in scholarships annually.

Study Abroad: Honors students are eligible for subsidized and unique summer study abroad experiences that emphasize intensive travel.

The Carolyn A. Barros Reading Room: A study lounge and computer lab located in College Hall exclusively for Honors Students.

Honors College Graduates: Honors College graduates are published authors, successful lawyers, doctors, architects, Broadway and movie actors, artists, university professors and entrepreneurs.

Requirements for Admission

Honors College admission is competitive. Honors candidates must fulfill at least one of the following criteria to be eligible to apply:

- Entering Freshmen:
  - Combined Critical Reading and Math SAT score of 1200
  - ACT composite score of 27
  - Upper 10% of H.S. graduating class
- Currently enrolled or transfer students:
  - At least a 3.35 GPA.

Admission, however, is not based solely on grades or scores. The Admissions Committee looks for evidence in the application of strong analytic and imaginative abilities. Candidates submit a résumé of activities as well as a personal statement.
