

# INSTRUCTIONAL TECHNOLOGY WORKSHOPS

## Fall Semester, 2009

**Center for Distance  
Education  
University of Texas at  
Arlington**

**[distance.uta.edu/training](http://distance.uta.edu/training)**

**Scott Massey, Manager  
[smassey@uta.edu](mailto:smassey@uta.edu)**

**The Center for Distance  
Education offers  
instructional technology  
workshops to support  
both classroom and online  
teaching and learning.**

**Workshop topics** during  
the 2009-2010 academic  
will be delivered via  
WebEx, (or in one-on-one  
and small-group settings  
by appointment). Fall, 2009  
topics include:

- *WebCT (upon request)*
- *Moodle Learning Management System*
- *Smart Phones for Educational Uses*
- *Camtasia*
- *Digital Audio and Video*
- *Maximizing Mavspace (Blogging & Podcasting)*
- *Online Synchronous Meeting Tools*

*Information about and registration for these professional development opportunities is available at the Center's Website or by contacting Scott Massey, Manager of Training at 2-7003.*

*(Schedule of WebEx delivered sessions on reverse)*
