

## MyMav Training

If you need assistance with a task in MyMav, you can access our on-line training materials at [www.uta.edu/mymav](http://www.uta.edu/mymav) by clicking the link: **MyMav Tutorials for Faculty and Staff**. Then, follow the instructions on the training website to view simulations of different tasks in MyMav.

You may also request an individual MyMav training session by e-mail at [oit-training@uta.edu](mailto:oit-training@uta.edu).

UNIVERSITY OF
