Specific Course Requirements with Descriptions

Examinations: There will be four exams. The exams will cover lectures, videos and assigned textbook readings. Students arriving late after the scheduled class start time, on an exam date, will not be allowed to take the exam after the first completed exam is turned in.

Missed Exams & Quizzes: Makeup exams requests will be approved only when appropriate documentation is provided that indicates that compelling circumstances prevented a student from taking a scheduled exam. Examples of such circumstances include funeral attendance, religious holidays, and illness. **No information should be provided in a makeup exam request that is private or confidential in nature.** A note from a friend or family member is not acceptable documentation. A request for a makeup exam must be made, **in writing**, before or no later than the next class period following the missed exam or in the case of a final exam, within 3 days after the scheduled final exam date. **Any and ALL makeup exams will be taken on Monday April 28th from 9-9:50AM in LS 100.**

Research Participation Requirement: Students enrolled in PSYC 1315 must complete a research participation requirement. This requirement may be satisfied by serving a total of six hours as a participant in psychological research or by preparing six summaries of published research in journals or some combination of the two options that totals to

six. More details will be provided in an orientation session and in an information handout. . Summaries must be submitted by the last class meeting. Points are **not** added to the course grade for completion of the research participation requirement.

Course Evaluation & Final Grade: The course grade will be based on the **mean of the three highest exam grades**. *If you miss an exam and do not have an University approved excuse for doing so this will be the grade that is dropped from the final average.*

Grading Format, Weighting/Point Value of Assignments, and Examinations: The grade for each exam will be the % correct of exam questions. The minimum points for a letter grade are (A=90-, B= 80, C=70, D= 60, and F= below 60). All exams are of equal weight. Rounding will be applied only for the calculation of the course grade. This will consist of raising a decimal fraction of 0.5 or greater to 1. For example, a course grade of 79.5 will be rounded to 80 for a course letter grade of B. A course grade of 79.4 will yield a course grade of C.

Student Evaluation of Teaching: Evaluation forms provided by the University will be used for student course evaluation.

Americans with Disabilities Act

The University of Texas at Arlington is on record as being committed to both the spirit and letter of federal equal opportunity legislation; reference Public Law 93112 -- The Rehabilitation Act of 1973 as amended. With the passage of new federal legislation entitled Americans with Disabilities Act - (ADA), pursuant to section 504 of The Rehabilitation Act, there is renewed focus on providing this population with the same opportunities enjoyed by all citizens.

As a faculty member, I am required by law to provide "reasonable accommodation" to students with disabilities, so as not to discriminate on the basis of that disability. Student responsibility primarily rests with informing faculty at the beginning of the semester and in providing authorized documentation through designated administrative channels.
