The student hired for this position will be working under the direction of Dr. Katherine Sanchez as part of the research project titled METRIC: Measurement, Education and Tracking in Integrated Care: Strategies to Increase Patient Engagement and Reduce Mental Health Disparities among Hispanics. The study aims to test an Integrated Health Care model for the treatment of depression in a primary care clinic and aims to reduce stigma and barriers to treatment through the use of a unique fotonovela patient education tool.

Job Duties: Job duties will vary depending on the needs of the project. Tasks will include, but are not limited to, the following:

- Work directly with research participants
- Collect and maintain research data
- Analyze and present findings based on their own interests
- Assist with the evaluation process for the intervention

Position Details and Eligibility Requirements: There is one position available - open to either a BSW or MSW student for Summer 2017. Students do not need a recommendation letter from faculty but should provide a faculty name for reference (preferably for professor who taught their research course) as part of their online application. GRAs must be flexible, highly motivated, and able to work independently or collaboratively on tasks as needed.

To be eligible, students must:
- be a current student of the BSW/MSW program and enrolled in 3 credit hours during the summer semester;
- have reliable transportation to the clinic site in Arlington;
- have interest in a career in research and/or mental health for underserved populations;
- possess excellent written and interpersonal skills and ability to assist with aspects of the research program;
- be bi-lingual in Spanish.

Compensation: This position is a paid position at $15/hour for 10 hours/week. This results in a salary of $2250 for Fall/Spring semesters and $1650 for Summer.

To Apply: Complete the online GRA Application form, attach a current resume, and provide a faculty reference. You will be contacted via your UTA e-mail address if you are selected for an interview. NOTE: Be sure to select METRIC – Sanchez on your application to indicate your interest in this position.

Questions regarding the position or the application process may be directed to Valerie at adamev@uta.edu.
