The student hired for this position will be working under the direction of Dr. Noelle Fields and Dr. Courtney Cronley on a project funded by the Department of Transportation. The student will support the study team in data collection and analysis as well as report writing and manuscript preparation. Student must be comfortable working in a team.

**Job Duties:** Job duties will vary depending on the needs of the project. Tasks will include, but are not limited to, the following:

- Data Collection (Qualitative and Quantitative)
- Data Analysis
- Manuscript Preparation
- Participate in meetings
- Report Writing

**Position Details and Eligibility Requirements:** One position available - open to MSW student. Students do not need a recommendation letter from faculty - may just provide name (preferably for professor who taught their research course). GRAs must be flexible, highly motivated, and able to work independently or collaboratively on tasks as needed.

To be eligible, students must

- Current student of the MSW program
- Interest in a career in research and/or mental health for underserved populations
- Excellent writing and communication skills.
- Well-organized
- Comfortable with interdisciplinary teamwork
- Comfortable with a flexible schedule

**Compensation:** This position is a paid position at $15/hour for 10 hours/week.

**To Apply:** Complete the online [GRA Application form](#), attach a current resume, and provide a faculty letter of reference. You will be contacted via your UTA e-mail address if you are selected for an interview. NOTE: Be sure to select Dr. Fields on your application to indicate your interest in this position.

Questions regarding the position or the application process may be directed to adamev@uta.edu.
