

THE VOLUNTEER

LATEST NEWS

As we find ourselves two weeks into the new semester, UTA Volunteers is working on organizing a variety of projects and activities to serve the community. This semester UTA Volunteers will be working with groups like the Boys and Girls Club, Mission Arlington, Habitat for Humanity, Locks of Love, Hobby Crafters, Lighthouse for the Blind and the Humane Society of North Texas. In addition, UTA Volunteers is organizing Alternative Spring Break trips to encourage volunteering as a lifelong behavior.

UTA Volunteers holds meeting every Tuesday at 2:15 pm in the University Center Student Congress Chambers. Everyone is welcome to attend, share ideas and learn about upcoming activities in the community.

Remember if you are growing out your hair to support Locks of Love, we will have representation from Burt Grant Salon on campus, March 8th to cut the hair for those making donations.
