## Volunteers needed!!

Every semester the UTA and TCU sections of SWE hold Girl Scout workshops with the Forth Worth and Dallas SWE sections. UTA usually has 100 or more girls attend this affair to earn their Math and Science Badges. If you have participated in a pervious workshop, you know how much fun we have. This semester UTA will be holding the workshop on October 15, 2005. It will be from 10am to 530pm. A meeting for volunteers is on Oct. 13th at 7pm to discuss details. Please contact any SWE UTA Officer if you would like to participate.

## Word of the Month

### Bacchanalia

bak-uh-NAIL-yuh, *noun*.

A riotous, boisterous, or drunken festivity; a revel.

Dictionary.com

### SWE-UTA Fun Fact:

*The Average Women spends 34 hours per week watching television.  
- I saw that statistic on television.*

### Quote of the Month:

*Engineering is a great profession. There is the satisfaction of watching a figment of the imagination emerge through the aid of science to a plan on paper. Then it moves to realisation in stone or metal or energy. Then it brings homes to men or women. Then it elevates the standard of living and adds to the comforts of life. This is the engineer's high privilege.*

*Herbert Hoover (1874 - 1964)*
