UPWARD BOUND MATH & SCIENCE CENTER

HS COUNSELOR RECOMMENDATION

STUDENT NAME	COUNSELOR NAME	
HIGH SCHOOL	DIRECT NUMBER	EMAIL ADDRESS

The UT Arlington Upward Bound Math and Science Center consist of two components, a rigorous 6-week Summer Residential component and a Yearly Academic component. The Summer Residential component allows participants to live on campus in UT Arlington residence halls and take part in academic studies with faculty and graduate mentors. During the Yearly Academic component, our staff will provide advice, support and services as they prepare for post secondary studies in Math, Science, Engineering and technological related fields. In addition, each student will receive a stipend for full participation in all activities. Upon completion of high school, each student may be offered a scholarship to attend The University of Texas at Arlington. All the services are absolutely **FREE** to the student.

Please support the above student's effort by completing the following recommendation form. He/She has indicated to our program that you are capable of giving an accurate account of his/her academic experience.

Rate This Student on each item by placing a check in the section which best indicates the student's overall performance in your view as counselor. Please do no omit any items!
