

MAVERICK PROMISE

For the 2009-2010 academic year, UT Arlington will provide grant assistance to cover all fall and spring in-state tuition and fees for undergraduate Texas residents who have a family income of \$65,000 or less, receive a Federal Pell Grant, and who are admitted and complete the financial aid application process including all required forms by April 1, 2009. Students who apply for financial aid after this date and meet the other conditions listed will be awarded grant assistance on a funds available basis. Students may be eligible for additional funds through loans and the Federal Work Study program to cover additional educational expenses such as textbooks, and room and board.

Students must meet all of the following criteria:

- § Be an undergraduate student paying the in-state tuition rate.
- § Be admitted to UT Arlington by April 1, 2009.

Students may renew the Maverick Promise if they continue to meet the conditions outlined and meet the Satisfactory Academic Progress requirements outlined by UT Arlington.
